## A MESSAGE FROM THE SENIOR LEADERSHIP TEAM

Dear Parents and Carers,

It has been another busy week at school with lots of exciting learning taking place.

### Meet the new teacher

There was a positive atmosphere across the school on Wednesday morning as children in our current reception to year 5 spent the morning with their new teacher. The children spent time getting to know the teacher, as well as the teacher getting to know them. The children completed a range of activities designed to start preparing them for the year ahead. All the teachers are very excited for the start of the new school year in September!

Year six have spent this week transitioning to their new secondary schools, feedback from the staff was positive and we are proud of how resilient they have been. In addition, they represented the school, themselves and their families through exceptional behaviour demonstrating the cooperative values.

### Open Classrooms Evening Wed 9th July, after school-3.30-5.15 and 5.45-7.30pm

On Wednesday 9th July (3.30-5.15 and then 5.45-7.30pm), classrooms across the school will be open to exhibit work. Please enter via the silver or blue gates (first 10 minutes of both slots) at either end of the school and then use the office entrance – exit via the office. You are also welcome to introduce yourself to your child's next teacher. Please be mindful that there will be other parents in the classrooms with you so your conversations with staff won't be able to be formal as we cannot offer privacy. If you require a more private conversation, please make an appointment through the usual channels. You are more than welcome to see the whole school as you move through the building, particularly our exhibition in the hall. Teachers will be stationed in their current classrooms. We ask that you are not on the site between 5.15 and 5.45 to allow staff a short break. We look forward to welcoming you into the school.

### Thurrock Music Festival

On Monday of this week, we took our Key Stage 1 choir to the Thurrock Infant Music Festival. We joined 4 other schools, singing joint songs and then a solo song. It is safe to say that we were the best supported school with so many of the parents and relatives coming to watch the children. A big well done to the choir and teachers for all their hard work, both in the many practice weeks

leading up to the festival but also the final performance at the festival itself – they certainly did the school community proud. Next week it will be the turn of the Key Stage 2 choir and we look forward to hearing all about their experience.

**IMPORTANT EVENT** – On Tuesday 15<sup>th</sup> at 6pm we have a parent workshop at school for parents and carers. This will give you expert guidance on how to support your child navigate the online world safely – information will be sent to you via email today.

We wish you all a relaxing weekend ahead,

The Leadership Team

# *Important Information*

If your child has an injury and has been given medical advice that we need to follow as a school, please bring them to the school office for 8.15am on their first day back at school following the injury so that we can complete a risk assessment.

Thank you for your cooperation.

## **Absence**

If your child is too ill to attend school, this must be reported to us by no later than **9.00am**. Please telephone the school, press one and leave a message on the voicemail box stating your child's full name, class, the reason for absence and when we can expect them to return to school (if known).

Home Visits will be carried out for any child that is absent for 3 or more school days without reason.

# We need you...

Please label all children's school uniform. This helps us return lost property to the correct child and prevents parents from having to replace missing uniform as often. This is particularly important as the weather is colder and children are wearing jumpers/cardigans to school.

**Please be reminded that pupils should not be wearing jewellery to school. Children with pierced ears may wear small stud earrings but hoops are not permitted. Thank you for your support**

Please ensure your child has a PE kit in school each day. If you are struggling with this, please contact Mrs Jarvis or Mrs Allen.

Thank You

We are continually updating our OPAL resources and would gladly accept donations of:

- Tennis balls
- Footballs
- Bats
- Dressing up clothes
- Colouring books
- Crayons
- Big cars
- Lego

# ETPS Coffee morning

Are you worried about how your child will cope with their transition to the next year group?

Would you like to discuss your child's wellbeing with a member of our pastoral team or the Mental Health Support team?

**Come and join us for our last coffee morning of the year!**

**Tuesday 8th July 2025**  
**9am**

Enter and exit the coffee morning via the Year 1 gate (opposite Little Angels).

# Recommended Reads

Each week we will be recommending great books that you can share with your children.

## The Day the Crayons Quit

by Oliver Jeffers, illustrated by Oliver Jeffers

Duncan just wants to do some colouring - but when he opens his box of crayons, he finds a whole bundle of letters of complaint. The crayons aren't happy: Beige is sick and tired of playing second fiddle to Brown; Blue is exhausted after colouring in so many oceans, lakes and rivers; Orange and Yellow can't agree on who is really the colour of the sun; and Peach has a rather embarrassing problem. Can Duncan come up with a solution to keep the crayons happy - before they quit colouring for good?

## The BFG

by Roald Dahl, illustrated by Quentin Blake

The BFG stands for Big Friendly Giant, who unexpectedly spirits a little girl named Sophie out of bed, and into the land of the child-eating giants. With Sophie in his top pocket, the BFG sets off to rid the world of the big, gruesome giants who guzzle up 'human beans' - the Bloodbotler, the Fleshlumpeater and all their rotsome friends.

# What Parents & Educators Need to Know about APPLE IPADS

## WHAT ARE THE RISKS?

Tablets remain a staple of children's digital lives – and Apple's iPad is by far the most popular model. According to Ofcom, over half of younger children regularly use a tablet to play games, watch online content or access apps. With their broad functionality, iPads can be helpful tools, but without supervision, they may expose children to risks ranging from inappropriate content to screen overuse.

## COSTLY TO REPAIR

Unlike some child-friendly tablets, the iPad is not built for rough handling. Its slim design and high cost mean that a drop or spill can result in a costly repair. If a child is using the device regularly, a sturdy case and screen protector are strongly recommended to help prevent accidental damage.

## DATA PRIVACY

While Apple is known for strong privacy protections, a recent study found that many iOS apps aimed at children still share personal data. Over 40% of the tested apps sent at least one piece of user information to third parties, raising concerns about advertising and analytics being targeted at underage users.

## INAPPROPRIATE CONTENT

The App Store and Safari browser provide almost unrestricted access to online material. Children may stumble upon age-inappropriate content, whether through apps, advertisements or online searches. Even recommended content algorithms can surface unsuitable material.

## BYPASSING RESTRICTIONS

Siri – Apple's voice assistant – can potentially override restrictions, especially with the newer text-based commands introduced through Apple Intelligence. Without safeguards in place, children may inadvertently access inappropriate topics simply by asking a question, bypassing certain filters previously set by adults.

## SCREEN ADDICTION

iPads can be highly immersive, and excessive screen time may affect a child's emotional and behavioural development. Signs of overuse might include mood swings, irritability, and difficulty focusing on non-digital activities.

## REDUCED ATTENTION & COGNITIVE IMPACT

Prolonged use of tablets has been linked with reduced memory, slower processing speeds and difficulties in concentrating. Research shows that children who spend excessive time gaming or consuming media on tablets may struggle with language development and executive functioning over time.

## Advice for Parents & Educators

### ENABLE FAMILY SHARING

Family Sharing allows you to create a dedicated Apple ID for your child and manage their activity. You can approve purchases, control what content they can access, and set time limits – all done remotely from your own device. It's a simple but powerful way to maintain oversight.

### FILTER APPS, WEBSITES & IN-APP PURCHASES

Parental controls in iOS let you block explicit content in Safari, restrict app downloads, and manage in-app purchase permissions. You can also filter websites automatically to prevent access to adult material and disable the installation of certain app types completely.

### USE SCREEN TIME FEATURES EFFECTIVELY

Tools like Downtime and App Limits can reduce device overuse. Downtime allows you to block access during key times – such as before bed or during homework – while App Limits sets daily time caps on specific games or apps. Alerts help children anticipate when their time is almost up.

### PREVENT UNAPPROVED SPENDING

Children can accidentally (or intentionally) make purchases within apps. Activating Ask to Buy under Family Sharing ensures you receive a notification to approve any app or in-app purchase. This stops surprise charges and allows you to discuss purchases together before they're made.

# Do you need support?

## East Tilbury Primary Schools Online Pastoral Support.

We are very excited to launch our new Pastoral service to our school community. From today you can access support by completing a simple and quick online form.

We have been working hard over the last few months to set up extra support for our families which is very much needed at this challenging time. If you require support, then please do not hesitate to reach out. We are hoping this service will be a fantastic addition to the support we can provide for our school community. Please reach out if you need anything, we are always here to offer you support.

To make the process simple we have created a QR Code (at the top of the poster) which you can just scan, and this will take you directly to the form.

## WE CAN HELP WITH

## Reception

This week we have been to see our new teachers. We had lots of fun! We have looked at the book 'Journey' by Aaron Becker. In the book a little girl visits lots of magical places such as castles and forests using different vehicles to move around. We have used our imaginations to think of amazing places we would like to visit and how we would get there. In maths we have been working on doubles and learning our number bonds to 10.

## Year One

We have had an exciting week in Year 1 this week, we enjoyed meeting our new teachers during transition morning on Wednesday. We have been exploring the book 'Journey' and had fun doing lots of creative activities. In music, we created a soundscape to accompany the book, we thought about what noises we would hear at different parts of the story and how we could make those sounds including making the sounds quieter and louder. We learnt about lighthouses and then made our own using toilet tubes and junk modelling.

# Class News

## Year Two

This week in year 2 we have focused all our learning on the story 'Journey' by Aaron Becker. Throughout this text, the main character uses a crayon to draw an imaginary world, with red doors transporting her to new destinations. In response to this, year 2 designed and created their settings, thinking carefully about ways to capture the interest of the reader. We designed our own flying objects and applied our D.T. skills to create our own hot air balloons.

## Year Three

This week we have been exploring the book 'Journey' by Aaron Becker. We have discussed the journey the girl went on and designed our own imaginary and magical world. In DT, we built castles that the girl travelled to in the story. We used card and cardboard boxes to make different features such as the battlements, towers and drawbridge.

# Class News

## Year Four

This week in Year 4, we've been focusing on the picture book *Journey* by Aaron Becker. We created our own journeys to magical worlds and drew artwork that brings our stories to life. In Design and Technology, we've been busy with our slingshot cars project. We have started designing the bodies of our cars. This week we had our transition morning and were able to spend time in our new Year 5 classes with our new teachers. In English, we have continued planning diary entries from the perspective of a friend of King Tut, exploring what life was like in Ancient Egyptian times.

***Reminder: Next Friday, 11th July, is Enrichment Day! Year 4 pupils are invited to come dressed in Egyptian costumes to celebrate our learning about Ancient Egypt.***

# Class News

## *Year Five*

It has been an exciting week in Year Five! We all met our amazing new teachers (or not so new in some cases) and we explored what next year will look like. In maths, we have put all our new skills learnt in lessons to find approximate volumes of a variety of cuboids within our classrooms. In English, we began creating our narrative based on the picture-book 'Journey' by Aaron Becker, where we used all our creativity to change and adapt parts of the story. In computing, we created quizzes using Scratch and we used algorithms to create a code to suit our needs.

## *Year Six*

As the summer term comes to a close, we hope all our Year 6 pupils have enjoyed their transition into Year 7. It's been wonderful to see them approach this next step with such enthusiasm, maturity and confidence. From visiting their new schools to taking part in transition activities, they've shown they are more than ready for the exciting challenges ahead. We are incredibly proud of everything they have achieved and wish them all the very best as they begin their secondary school journey!

# Reach for the Stars
