Dear Parents and carers,

Transition morning

There has certainly been a buzz of excitement across the school this week as pupils met their new teachers for the next academic year. We also welcomed our new intake of Reception children for a morning of transition. It was good to see the children settling into their new learning environment. Many of our current year 6 pupils went to visit their Secondary Schools this week and they looked incredibly smart and grown-up in their new uniforms.

Thurrock Music Festival

On Tuesday of this week, we took our Key Stage 1 choir to the Thurrock Infant Music Festival. We joined 7 other schools, singing joint songs and then a solo song. It is safe to say that we were the best supported school with so many of the parents and relatives coming to watch the children. A big well done to the choir and teachers (Miss Hobbs and Miss Charles) for all their hard work, both in the many practice weeks leading up to the festival but also the final performance at the festival itself – they certainly did the school community proud. Next week it will be the turn of the Key Stage 2 choir and we look forward to hearing all about their experience.

Open Classroom Evening Monday 10th July

On Monday from **3.15pm -5pm**, classrooms across the school will be open for parents/carers to come and view your child's work. You are also welcome to introduce yourself to your child's next teacher. To enter the school at 3.15pm please use your child's normal drop off point. When you have finished, please leave via the office reception area. Gates for entry will be open for 20 minutes but will then close – if you are going to arrive after this point, please enter via the office reception area. You are welcome to bring your child with you. Please be mindful that there will be other parents in the classrooms with you so your conversations with staff won't be able to be formal as we cannot offer privacy. If you require a more private conversation, please make an appointment through the usual channels. There will be year 6 prefects on hand to help you navigate from your child's current class to see their new teacher and you are more than welcome to see the whole school as you move through the building. Teachers will be stationed in their current classrooms. **Monday after school clubs will be cancelled on this day.**

A reminder that the last day of this school year will be **Wednesday 19th July** with the children returning to school on **Wednesday 6th September**.

We hope you have a relaxing weekend

The Leadership Team.

SEND Coffee Morning

The next SEND coffee morning is scheduled for Thursday 13th July at 9am and will be attended by a representative from the Children's Centre to share their available resources. We look forward to seeing you there.

Absence

If your child is too ill to attend school, this must be reported to us by no later than **9.00am**. Please Telephone the school, press one and leave a message on the voicemail box stating your child's full name, class, the reason for absence and when we can expect them to return to school (if known).

Home Visits will be carried out for any child that is absent for 3 or more school days without reason.

POLITE NOTICE

We have had a number of reports of unsafe parking in the local area from drivers presumed to be collecting children from school. Please may we ask that, if you must drive to collect your child from school, your car is left somewhere that will not present a danger to pedestrians.

We are incredibly fortunate to have the improved carpark at the memorial park but, as it is not part of the school's property, we have no control over the length of time it is taking to complete. Once finished, this should provide more spaces and make parking safely much easier.

We must also reiterate that the driveway and turning point are NOT to be used as a place to park to collect children. Only those with prior arrangements to access the school car park should be entering the driveway.

PARKING

Could you please be vigilant and courteous if you bring your vehicle onto the school grounds and refrain from parking on any zig zag lines or on the zebra crossing.

The children's safety is of paramount importance.

PE KIT

For PE this term all lessons will be athletics and a Striking and fielding (cricket or rounders).

Could all children please have a PE kit in school

everyday. If you are unable to provide your child with a PE kit please use our uniform shop as we will donate them to any families that cannot provide a PE kit for their child. Please ensure the PE kit is labelled and is in a bag labelled with your child's name.

PE kit should include

- Plain white T-shirt
- Navy shorts
- Tracksuit (for outdoor sports in the winter)
- Trainers/plimsolls (children should not be wearing their school shoes for PE. This can be a health and safety issue and also brings mud from the school field into the classrooms).

Thank you

Congratulations to Team ETPS on today's Borough Olympics success. We placed 2nd in the field events, 2nd in the track events and 2nd overall. The pupils competed extraordinarily throughout. We are very proud of them all.

Year One

In English this week, we have looked at the features of writing a persuasive letter in preparation for writing ours next week. We discussed that a persuasive letter writing must have the writer's address, full date, a greeting with the recipient's name, closing the letter with our name and importantly include persuasive phrases or language. Also, we talked about how to lay out a letter properly in a persuasive writing. Then, we had fun sorting words and phrases into persuasive and non persuasive groups.

Persuasive Letter Writing

There are some important things to remember when writing a persuasive letter.

You have to lay out your letter properly:

- Write your address.
- Write the address of who you are writing to (the recipient's address).
- Write a greeting (the recipient's name).
- Write the full date.
- Write about the topic and persuade your reader
- Close your letter
- Write your full name.

Additionally, we discussed how to keep safe in the sun in Science. We learnt that spending too much time in the sun can be harmful to our skin and should follow a special code 'SMART' which reminds us how to enjoy the sun whilst staying safe. We then wrote sentences on how to keep safe in the sun and created our sun safety posters.

Furthermore, we were most excited about meeting our new class teachers and spending the morning in our new classrooms. We had an amazing time engaging in fun activities and are looking forward to Year 2 although we will miss our old class teachers. Well done Year 1 for a brilliant transition morning!

Year 2

This week we completed our final lesson using the clay with the aim of making a 3D clay tile of a house. First, we started by drawing a house, we considered how to create features such as doors, windows and the roof. Once we had designed our house, it was time to make our 3D tile. We were given a ball of clay and had to use a range of techniques including rolling, pressing in and joining to create our tiles. Once we had finished we evaluated our work.

Year 3

In Computing this week, we made our own scratch projects. We used a template of a maze to make our own programme. We got to choose our own sprites and we programmed them, so they moved around the maze and drew a line as it moved. We enjoyed exploring how to make this happen and felt very accomplished when we completed it. This week was also transition day and we were very excited to meet our new teachers. We completed some activities to get to know them and so they could get to know us, and we went to see our new classrooms. We continued learning about shapes in Maths, we made 3-D shapes from nets, and we enjoyed the challenge of carefully cutting around the flaps and sticking them together.

Year 4

This week is a very special week for us throughout the school, as it was transition day on Thursday 6th July. This is the day where we met our new classes and new class teachers. In English we will be completing a non-chronological report on blob fish. In Maths we are continuing with money and time. In History we are continuing to re-search famous Egyptian figures and in PE we are continuing with our cricket skills.

What Parents & Carers Need to Know about

RUMBLE

AGE RESTRICTION
12+

on the App Store,
Teen on Google Play

WHAT ARE THE RISKS?

A video-sharing platform designed as an alternative to YouTube, Rumble is the epitome of a 'slow burner' in digital circles: it was initially launched in 2013, but it's only in the last two or three years that it's begun to gain serious traction. Much of Rumble's recent growth has stemmed from its association with Truth Social, the platform founded by former US President Donald Trump. Rumble's content frequently reflects some intense political viewpoints; this can often affect the way it approaches topics and has occasionally caused the platform to venture into controversial territory.

POLITICAL AFFILIATIONS

The company which developed Rumble is also responsible for hosting Truth Social, the often contentious news and social network founded by Donald Trump. Indeed, Rumble's content often reflects the ideas of one group of US voters, who have embraced it as an alternative to more mainstream social media. Many parents may feel that such an overtly political platform isn't suitable for young people.

PROVOCATIVE CONTENT

Rumble prides itself on championing free speech, with its CEO declaring the platform "immune to cancel culture". Many of Rumble's highest-profile content creators – such as Andrew Tate and Russell Brand – are well known for sharing opinions which are often described as extreme. While adults might be equipped to treat this content objectively, much of it may not be appropriate for a young audience.

INAPPROPRIATE MATERIAL

In very simple terms, Rumble works a little like YouTube but with far fewer censors and restrictions being applied to its content. If age-inappropriate material or potentially harmful misinformation is trending on the platform and being shared among more mature users, there's a distinct possibility that Rumble's algorithm may also recommend that content to a child.

CONTROVERSIAL FIGURES

Many of Rumble's best-known accounts are owned by individuals who have previously been banned from other social media platforms. There could, of course, be a variety of reasons behind this – but it almost certainly increases the chances of your child coming across content on Rumble which probably wouldn't be deemed acceptable on other similar platforms.

SENSITIVE TOPICS

In recent months, some prominent Rumble influencers have expressed uncompromising views on sensitive subjects such as gun control, abortion, LGBT+ issues and more. With many Rumble accounts tending to display a noticeable political bias, the concern would be that young people using the platform may not always be presented with an impartial perspective on these important and complex topics.

Advice for Parents & Carers

TALK ABOUT POLITICS

Rumble does have a team of moderators, but the nature of the platform means that some permitted content is likely to be controversial and highly subjective. That possibility might make many parents uncomfortable – but if your child does view (or hear about) something provocative on Rumble, it can still provide a useful opportunity to discuss politics at home in a safe, relaxed environment.

CHECK UP REGULARLY

Like any video-sharing platform, there's a chance that Rumble might suggest inappropriate content for your child. There may be an algorithm issue – or it could be that the recommendations are based on videos they've previously viewed. If your child uses Rumble, you might consider a chat with them about which accounts they follow and what type of content is suitable for their age.

RESEARCH ALTERNATIVES

No video-sharing platform is totally free from potentially harmful content, of course – but the number of prominent account holders on Rumble whose output has previously been banned from similar services is certainly a cause for concern. If your child is becoming interested in influencer culture or politics specifically, you could perhaps research more family-friendly platforms together.

DISCUSS IMPARTIALITY

Many prominent Rumble accounts wear their political leanings firmly on their sleeves. As a result, it can be tricky for impressionable young people to appreciate both sides of any given debate. If your child is old enough to use Rumble, you may feel that a discussion of some things they've seen might be prudent – if so, be prepared for some complex (and possibly lengthy) conversations!
