East Tilbury Primary School will use the Primary PE and sport premium funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) we offer.

This means that we will use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that our school already offers.

The Primary PE and sport premium will not be used to fund capital spend projects; the school's core budget will fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).
