

## PRIMARY SPORT PREMIUM DEVELOPMENT PLAN 2022-2023

**Lump Sum = £16000**

**Amount of grant based on number of pupils in KS1 and KS2 x £10= 5780**

**Total £21780**

### **East Tilbury Primary School**

East Tilbury will use the funding to make additional and sustainable improvements to the quality of their physical education (PE), physical activity, play and sport.

- We aim to develop or add to the PE, physical activity, play and sport that your school provides during curriculum, play times and extra-curricular activities.
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- We want to ensure pupils leaving in year 6 are able to meet the national curriculum 25m swim unaided. Funding will support those pupils who do not meet the criteria to have additional top up lessons in the summer term.

### **Key Achievements to Date:**

- Successful OPAL scheme running for playtimes and lunchtimes. Children are fully engaged with staff and make use of their time using the equipment provided. This has also had a positive impact on behavior during these recreational times.
- SLT/PE lead have continued to mentor NQT's in school and upskill other members of staff.
- Year 1 scooter training was completed, and this has contributed to us gaining the Bronze Travel Plan accreditation
- Up to date Val Sabin schemes of work have been purchased for staff to access to improve planning and subject knowledge.
- Permanent basketball posts installed on the playground to improve outdoor provision for playtimes, curriculum and extra-curricular.
- Year group extra-curricular clubs resumed after Covid restrictions were partially lifted. Equipment and resources purchased for these to boost levels of fitness, engagement and improve well-being after lockdowns.
- Sand purchased at reduced cost for our new sandpit, which is part of the OPAL play provision.

## PRIMARY SPORT PREMIUM DEVELOPMENT PLAN 2022-2023

- Balance bikes purchased with helmets for reception children for 22/23
- Resources purchased and utilized for our OPAL (Outdoor Play And Learning) scheme. This is to improve outdoor learning and increase engagement in outdoor activity and play at break and lunchtimes. This will lead to improved creativity, imagination, engagement, social skills, fitness levels and enjoyment. This in turn will improve behaviour and therefore engagement and attainment in lessons.
- Engagement in Thurrock School Sports association Competitions, including netball, athletics, cricket, and football.
- East Tilbury completed various active travel tasks throughout the year to gain silver accreditation for the schools travel plan 2021-2022
- East Tilbury achieved Gold in The School Games Mark 2021-2022. This is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward and recognise school's engagement in the School Games against a national benchmark and to celebrate keeping young people active, and we are delighted to have been recognised for our success.

**Our intended aim is to spend the sports Premium funding 2022/2023 in the following ways to improve PE and sport participation and to enable pupils to develop and sustain a healthy, active lifestyle:**

:

- Employment of PE teacher to maintain physical education is kept to a minimum of good – outstanding standard across the school. Needs are met for the school games accredited programme recognised by the government and to work alongside Thurrock council for the schools travel plan
- To upskill teaching staff in an area of PE they feel less confident in with CPD training.
- To maintain development work with ECT's and student teachers to ensure safe practice and a proficient level of provision.
- To upskill teaching staff in assessment and target setting in PE

### Intended Impact and Cost

£4500 ECTs to observe, team teach and gain productive feedback from PE specialist to ensure safe and challenging provision for all our pupils.

£1500 – More confident staff provide better quality lessons, engaging and challenging all pupils, particularly our more able and talented.

## PRIMARY SPORT PREMIUM DEVELOPMENT PLAN 2022-2023

<ul style="list-style-type: none"> <li>• Top-up swimming for Year 6 for those who do not reach the NC 25m requirement in summer term, government require this information to be recorded by the end of 2023.</li> <li>• To improve the quality of planning and teaching across the whole school with the use of up-to-date Val Sabin SOW. ## PRIMARY SPORT PREMIUM DEVELOPMENT PLAN 2022-2023

<ul style="list-style-type: none"> <li>• Transport to tournament and competitions</li>   <li>• subscription for sports affiliations and Thurrock SSP</li> </ul>	<p>fitness, and behaviour across the school. Leading to improved attendance, engagement in lessons and overall attainment.</p> <p>£2000- coaches to get children to and from competitions to compete against other children in the borough</p> <p>£641.50 Thurrock SSP subscription</p>
<p>Barriers: Swimming pool slots are very difficult to secure. This has been made even more challenging with Corringham letting us know after we have booked that they will be closed for a refurbishment for nearly 6 months. Mrs. Russo is currently trying to source alternatives ( Basildon and Blackshots)</p>	
<p><b>Summary of Primary Sport Premium 2022-2023 intended expenditure</b></p>	<p><b>£21141.50 allocated to be spent</b></p>
