Dear Parents/Carers,

End of term Celebration Assembly

Yesterday afternoon we celebrated the successes of the children over the half term, through a lower and upper school celebration assembly. Well done to class RJG and 3NM for winning our highest attendance awards and for all the children who achieved co-operative values certificates. This was a great way to end the busy first half term of the school year.

Parent Consultations

Teachers are looking forward to speaking with you after half term about the successes your children have had so far this school year. Please remember that the teachers will call you at the allotted time using the booking information provided. If you don't answer first time, the teacher will wait for two minutes and then call back. Please do not call the office if you receive a missed-call, the teacher will call you. The booking system on the website is now closed.

Harvest

This year the school will be donating your food donations to Thurrock Food bank. On Thursday of the first week back (3rd Nov), please bring any donations to the gate that you usually bring your children through in the morning. At each gate there will be a black container that you can leave your donation in, and this will then be collected by the food bank staff later that day. The Thurrock Food bank provide meal packs for vulnerable families across Thurrock and perform amazing practical support to the local communities of Thurrock. Please see the information poster later in the newsletter for information on the types of food that can be donated. Thank you in advance for your food donations.

Halloween

Halloween will fall on the first Monday back after half-term break (31st October). While this is a chance to have fun and enjoy the celebrations, please do be mindful of vulnerable members of the community who may not wish to engage in trick-or-treat. A good sign to look out for, is whether a resident has a carved pumpkin outside the front door – this usually indicates that they are happy to be involved.

As a school leadership team, we wish you and your families a relaxing and enjoyable half-term break and look forward to welcoming you back to school on Monday 31st October.

Kind regards,

The Leadership Team

Friday 14th October—Non-Uniform Day
A big thank you to anyone who donated towards our biscuits for our in class nurture time.

PE KIT

Could all children please have a PE kit in school **everyday.** If you are unable to provide your child with a PE kit please use our uniform shop as we will donate them to any families that cannot provide a PE kit for their child. Please ensure the PE kit is labelled and is in a bag labelled with your child's

SEND Coffee Morning

Thank you to all those who attended the coffee morning. It was so lovely to catch up with you all in person. The next coffee morning is scheduled for Thursday 15th December at 9am and will be attended by the school nurse, for if you have any queries about your child's health. We look forward to seeing you

From 1st November, a range of Remembrance poppy items will be available for pupils to purchase in school, in support of the work of the Royal British Legion. Suggested donations for these items range from 20p to £2.

Absence

If your child is too ill to attend school, this must be reported to us by no later than **9.00am**. Please Telephone the school, press one and leave a message on the voicemail box stating your child's full name, class, the reason for absence and when we can expect them to return to school (if known).

Home Visits will be carried out for any child that is absent for 3 or more school days without reason.

Reception

This week we have been learning all about house, homes and our local area. We have watched videos of around the local area and looked at pictures. We have then tried to use our initial sounds to label the pictures. This week in Phonics we have learnt the sounds 'h', 'b', 'f', 'ff', 'l' and 'll'. We have now learnt all of our Phase 2 sounds. In Maths we have been looking at repeating patterns and have created our own patterns in a variety of ways. Here is some of our amazing work!

YEAR ONE

In art this week, year 1 have been looking at primary and secondary colours. They explored mixing primary colours together to make secondary colours. They had so much fun experimenting with the different colours and created a colour chart to show what colours are made, when primary colours are mixed together.

Year 2

In Science this week, we have been learning about the rainforest habitat. We looked at the different layers within the rainforest and the animals we would find there.

In English, we learned about explanation texts. We are now able to recognise the key features. Ask us to tell you what the features are?

We then wrote our own explanation text on the life cycle of a penguin. We read the story 'The emperor egg' to help us learn more about penguins.

In geography, we have created a leaflet on the information they have learnt this half term. We chose to make our leaflet on either East Tilbury, Nairobi and Antarctica. We wrote about where it is, what animals live there, what it is like and what you can go and see.

Year 3

This week in Year 3 we have been writing our own stories based on The Stone Age Boy. We have come up with lots of exciting ideas!

We have been making fossils using Plaster of Paris and clay, then we became Archaeologists and dug the fossils from the clay using paint brushes, some of our fossils broke but then we spoke about how fossils are usually broken when they are found.

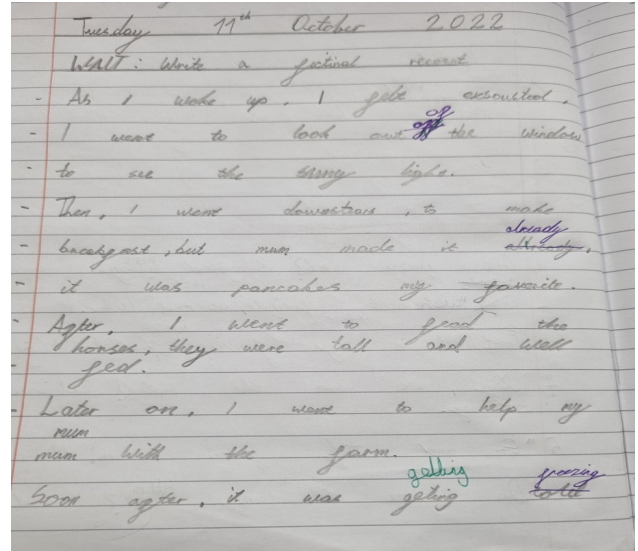

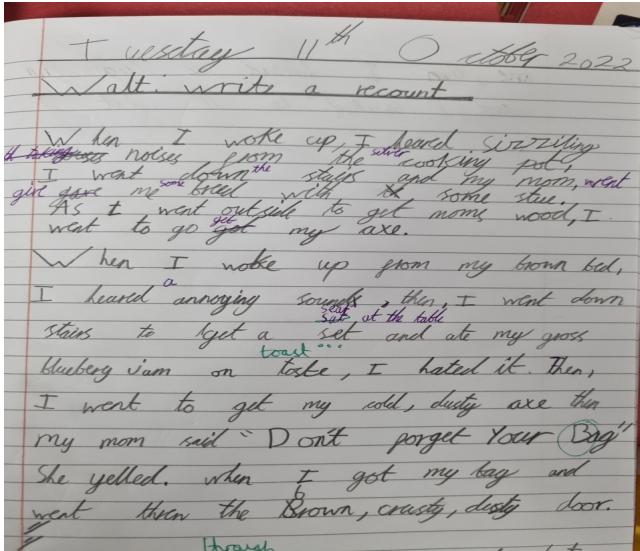

We also made some fossil art, using wire to make the shape of the fossil, then we used pastels and charcoal to decorate the fossils and make it look old. While we were making our fossils we learnt about Mary Anning, who found dinosaur fossils on beaches!

We have enjoyed learning all about fossils this half term! We have all worked really hard in Year 3 this half term and are looking forward to our break!

Year 4

Over the past few lessons in English, we have engaged with the writing of a historical recount of a Viking raid on an Anglo-Saxon settlement. We have began writing our own recounts this week, where we have seen an amazing improvement in the quality and quantity of writing produced by every-

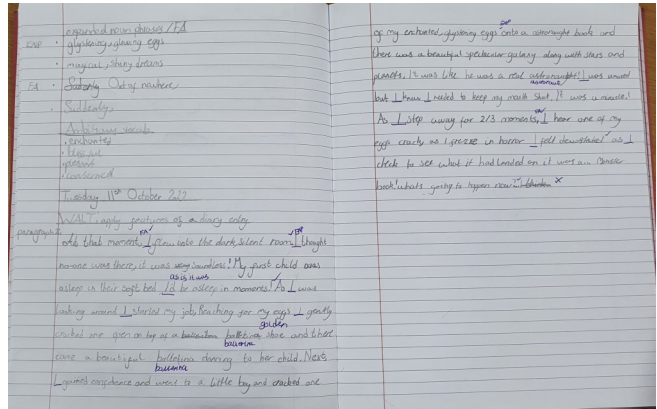

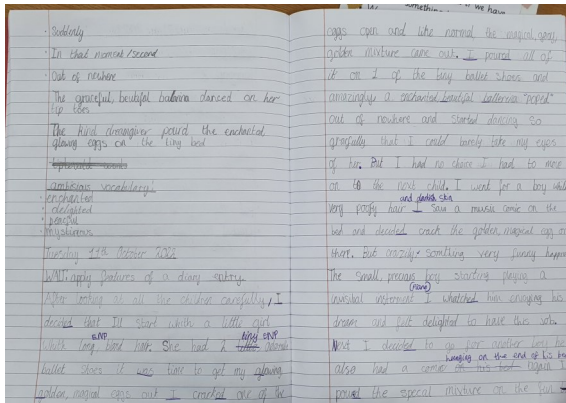

On Monday, we celebrated mental health awareness by wearing the colour yellow. This was an incredibly positive experience for everyone involved. We also spent the afternoon creating pieces of artwork using charcoal. This was a fun (and slightly messy) afternoon where some amazing creativity was shown throughout the year group. It was especially pleasing to see how many children we keen to show off their work to staff and other children within the year group.

YEAR 5

Dreamgivers, road safety experts and scientific investigators!

This week year 5 have been writing their diary entries in the role of the Dreamgiver. We have been using our descriptive techniques to help us recount the events of the night things went wrong. We have had some amazing ideas and have enjoyed writing in the role of someone else.

5NB have had their road safety walk this week. They had the chance to observe the traffic around them — looking for the different types of vehicle, if the drivers were wearing seatbelts and recording the speeds of the passing traffic with a speed gun. The children were taught how to cross the road safely and how to be aware of their surroundings when outside. If your child is in 5AB or 5JP, their road safety walks will take place after half term. Could you please ensure that their permission slip has been returned to school as soon as possible. Thank you.

In science, we have carried out a combined year group experiment. The children were asked to create a 'potion' solution with items they could find around the playground and water. They were then asked to separate this back into clean water using filtration.

Finally, we would like to say a huge well done to the children as they have had a settled start to the year. We hope you all have a well deserved break this half term.

NEWS ALERTS

Year 6 News

On Monday this week many of the year 6 pupils chose to wear yellow as part of Hello Yellow; bring awareness to World Mental Health Day.

On Friday last week, the children enjoyed their curriculum day when they completed a music unit themed around 'Happy' by Pharrell

Williams. The children discussed different musical instruments they could hear in the song and its composition. They then used glockenspiels to follow the rhythm of the song and combined this with singing in their final performance.

In science this week, the children explored how they could use circuits to create Morse Code messages.

They used a switch component to make a light flash, or buzzer sound in order to create their messages, which was then translated by their peers.

What Parents & Carers Need to Know about

FIFA 23

FIFA 23, like its many predecessors, is a massively popular football simulator featuring life-like recreations of thousands of real-world players, drawn from teams around the globe. While the gameplay is subtly improved year on year, the publisher EA Sports' tweaks tend to focus on FIFA Ultimate Team mode, which can tempt gamers of all ages to spend real money recruiting better players for their side. With each new release of FIFA comes a host of new players to unlock – meaning that youngsters can feel pressured to keep buying to compete with their friends.

AGE RATING
PEGI
3

WHAT ARE THE RISKS?

RELEASE RAZZAMATAZZ

FIFA 23 will be the last in the blockbuster series, before EA goes solo with its own football title next season. This 'end of an era' vibe – coupled with a huge advertising budget making the new release almost impossible to miss – will elevate FIFA 23 into even more of a 'must have' for football-mad young gamers, no matter how minor the updates are on last year's version.

AGE-INAPPROPRIATE CHAT

Based on a popular sport which appeals to people of all ages, the FIFA franchise draws a huge audience of both children and adults. Communication is a key element, with many players enjoying in-game audio chat via headsets. With the mixed age range of players and a lack of regulation, however, chats can often turn offensive or toxic – especially in the heat of competitive matches.

IN-GAME PROMOTIONS

Unless precautions are taken, dedicated FIFA fans can spend significant sums when attempting to improve their Ultimate Team. Most top-level players can be unlocked by simply participating in matches, but some sought-after stars can be obtained more quickly in limited-time promotions which cost a large amount of FIFA points (the in-game currency, often paid for with real money).

CIRCLING SCAMMERS

The popularity of FIFA Ultimate Team (FUT) mode has led to online scammers convincing many impressionable gamers to pay real money for non-existent FUT coins and player cards, or directing unwary FIFA fans to phishing sites. If your child gives these individuals their login details, the scammers can access not only their carefully built team but potentially your payment information.

ADDICTIVE NATURE

One match on FIFA (usually around 15 minutes, but often lengthened by extra time and penalties) almost invariably leads to another. It can be a powerful temptation for young players, regardless of unfinished homework or an approaching bedtime. If the 'just one more game' mindset starts to impact a child's daily routine, it could be a sign of gaming disorder, a recognised mental health issue.

GAMBLING-ADJACENT BEHAVIOUR

Ultimate Team has become a major feature in FIFA due to the revenues it generates. It can also be addictive, with children striving to earn coins and level up while swapping, selling and buying players. Spending FUT coins to open a player pack (which many experts have likened to gambling) is designed to be an exciting act – with bright lights, fanfare and attention-grabbing prizes.

Advice for Parents & Carers

BE SELECTIVE WITH CHATS

It's enormous fun for FIFA players to chat online with friends, even as their teams do battle in the game. It's probably the safest idea, though, to restrict contact with strangers. By turning off voice chat in FIFA and allowing cross-party chat in their device's settings, your child can speak to people who are already on their friends list but won't be able to talk to (or hear) strangers online.

CONTROL SPENDING

If your child plays Ultimate Team mode on FIFA, ensure their account isn't linked to your payment methods – so they'll need your permission to make in-game purchases. Alternatively, you could use parental controls to limit spending – or set up a pre-paid 'allowance'. When excitedly clicking options on screen, it's easy for a young person to forget the real-world repercussions of online purchases.

STAY ALERT FOR SCAMS

There are some key things to remember about potential FIFA scams. Firstly, EA never contacts users via any method other than emails to the account holder (which may well be you). Neither will they ever ask for a player's username or password outside the game itself. EA's terms and conditions outlaw the buying of FUT coins, so anyone selling them should be treated as suspicious.

AVOID 'EXTRA TIME'

If your child's spending a lot of time on FIFA 23 and seems less enthusiastic about other activities in their life, you could consider restricting how long they can play for each day with the parental controls in their device's settings. Even if they're not playing on their console or computer, there's a FIFA companion app for smartphones – but that can be limited through parental controls, too.

Sporting News

Enzo has been selected to join the UK Jujitsu team and will be representing the UK in Asturias Spain competing with the European random attacks. He has had to learn to defend himself against 20 different techniques where he has to be able to escape the attack immediately.

He has been training at Thurrock Jujitsu on these techniques for the last 2 years.

Cross Country

Well done to the children who competed in the year 5 and 6 cross country. The team results were as follows:

Year 5 girls placed 12th

Year 5 boys placed 9th

Year 6 girls placed 6th

Year 6 boys placed 7th

Congratulations to the following three individuals who will now go onto represent Thurrock in the Essex cross country finals.

Charlie placed 3rd in the year 5 boys

Chloe placed 2nd in the year 6 girls

Bobby placed 2nd in the year 6 boys.

Well done team!

This competition is open to all children with SEND.
We look forward to seeing your creative ideas.

WHAT DOES AUTUMN MEAN TO YOU?

THE OAK

A tree's leaves in the fall
are some orange, some red and for a small bird
they make quite a bed

The branches of trees
are some curved, some straight
and some even form
a small figure of eight

The roots of a tree
go deep, deep, down
like buried treasure
never to be found

Trees need sunshine
Water and dirt
Without these things
They could get hurt

Trees can do things
I wish I could
If you're looking for one
I'd check the woods

ETPS PFA Update

Splitting the £1.00

- **40p** goes to our school
- **36p** goes to cash prizes
- **20p** goes to admin costs
- **4p** goes to VAT

How it works...

It's simple—choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes. One of our players will win a cash prize every week, maybe even the £25k jackpot! Tickets cost just £1 per week and the proceeds are donated to East Tilbury Primary School

Every Saturday at 8pm the numbers are drawn and posted online. Winners are notified by email and winnings paid into the account of your choice.

The easiest way to join our lottery is online at YourSchoolLottery.co.uk by direct debit or debit card.

It's so easy to join and will make a real difference to East Tilbury Primary School

The Maths... 100 tickets sold a week means
= £30 weekly cash prize
= £2,080 a year for our school

EAST TILBURY PRIMARY SCHOOLS PRE-LOVED UNIFORM SHOP

OPENING TIMES:
TUESDAY 8.40-9.00
FRIDAY 15.00-15.30

This week we are relaunching our school uniform shop. Considering the current cost of living crisis and how moving forward we want to support our families and school community, we have made the decision that we will no longer be charging per item and the uniform will now be donated to you free of charge.

All that we ask is that at the end of each year, if any of your child's old uniform that no longer fits is still in good condition, then you donate back to us so that we can recycle them to another family.

The condition of our stock is monitored very closely so please be assured that all items of clothing are in good or excellent condition.

We are extremely pleased to announce that we have received sponsorship from UNISON.

Peter Sansom, Branch Secretary for Thurrock UNISON says, "We are delighted to be able to collaborate with East Tilbury Primary School on this exciting pre-loved clothing project by providing funding for essential equipment for the new shop. The aims behind it align with the UNISON values perfectly – it provides a cost-effective solution for low-income families and vulnerable pupils as well as recycling perfectly good clothing which would otherwise end up in landfill. In this climate we commend the school and volunteers who implemented such a successful and important project, and this is why we are so happy to be associated with this. We are always looking to support schools with valuable projects such as these and would welcome enquiries for future collaborations to expand this fantastic concept across Thurrock."

UNISON have made a donation which will cover the upkeep and running of the shop for the next two years. With their donation we have been able to purchase washing powder, lighting, and clothes rails. We also now have a permanent base on the KS2 playground by years 5 & 6.

Please pop by and visit us. Any donations will be very gratefully received and can be taken to the school office or dropped off to a member of staff on the gate.

Do you receive any of the following?

- Income support
- Employment Support Allowance (Income Related)
- Income based Job Seekers Allowance
- Guaranteed Pension Credit
- Child Tax Credit and your income (as calculated by the Inland Revenue) is less than £16,190
- Universal Credit
- Receiving support under Part VI of the Immigration and Asylum Act of 1999
- In the Armed Forces

If you can answer yes to any of the above you may qualify for free school meals/Pupil Premium

The school office will help with your application. If your application is successful not only will your child receive free school meals, but our school will receive £1,300 additional funding (per child). This is called Pupil Premium.

All applications are confidential.
