16th June 2023

Dear Parents and Carers,

We have made it to the end of another busy week in school – surviving the hot weather in the process! As always there have been many exciting experiences and events taking place at school which you will be able to see from our Facebook page and newsletter.

## Success! Silver Award Travel Plan

The way that our school community approaches travelling to and from school is very important to us. It is great to see so many families walking or using bikes/scooters to travel to and from school. As a school, we are accountable for the way we encourage the school community to think about healthy and responsible ways to get to school. We are delighted to say that we have received a Silver Award for our approach. A big well done to everyone!

## Parent workshop

Thank you to all the parents/carers who recently attended a three-part workshop on supporting children with their emotional wellbeing. The workshops were a great example of the combination of school and local services working together to provide valuable support to our parent community. Please do keep a close eye on future parent workshops via our newsletter, parent email and facebook.

We wish you a relaxing weekend ahead,

The Leadership Team

## CHALLENGE TIME...

**COULD YOU:** Learn a new skill, visit somewhere new, try a new food, read a new book, join a club and take part in a new activity, explore your community or... ?? THE POSSIBILITIES ARE ENDLESS!

OVER THE NEXT FOUR WEEKS WE WOULD LIKE YOU TO SET YOURSELF A CHALLENGE...

IS THERE SOMETHING YOU HAVE ALWAYS WANTED TO TRY?

COULD YOU INCREASE YOUR INDEPENDENCE OR CONFIDENCE?

Send your entries in the form of a story, drawing, photograph or craft to:

### An Awareness Raising Session for Parents and Carers to Increase Knowledge of Gangs and Child Criminal Exploitation

Wednesday 17th May 2023  
Thursday 14th September 2023  
Thursday 7th December 2023

18:00 till 19:00  
Via MS Teams

This session will identify the harms associated with gangs and county lines and will look on practical advice on how to support a young person who you may be concerned about in relation to Exploitation

To book your place visit [www.thurrocklscp.org.uk](http://www.thurrocklscp.org.uk)

#### Absence

If your child is too ill to attend school, this must be reported to us by no later than **9.00am**. Please Telephone the school, press one and leave a message on the voicemail box stating your child's full name, class, the reason for absence and when we can expect them to return to school (if known).

Home Visits will be carried out for any child that is absent for 3 or more school days without reason.

## POLITE NOTICE

At East Tilbury Primary we motivate the children to take an active role in being eco-friendly and as part of this, we encourage pupils to choose to walk, scoot and bike to school, to help lower carbon emissions from cars.

We ask parents/carers to encourage pupils to be safe and responsible when riding bikes and scooters. Children should take care when passing or approaching other children and should dismount their bike or scooter on entering the school grounds.

**This is particularly important outside the Year 1 gate near to Little Angles as younger children walk up and down that pathway. Please avoid riding scooters/bikes in this area to help us keep everyone safe.**

Thank You

## PARKING

**Could you please be vigilant and courteous if you bring your vehicle onto the school grounds and refrain from parking on any zig zag lines or on the zebra crossing.**

**The children's safety is of paramount importance.**

## Risk Assessments

If your child has an injury and has been given medical advice that we need to follow as a school, please bring them to the school office for 8.15am on their first day back at school following the injury so that we can complete a risk assessment.

Thank you for your cooperation.

# COMMIT TO BE FIT!

## PE KIT

For PE this term all lessons will be athletics and a Striking and fielding (cricket or rounders).

Could all children please have a PE kit in school

everyday. If you are unable to provide your child with a PE kit please use our uniform shop as we will donate them to any families that cannot provide a PE kit for their child. Please ensure the PE kit is labelled and is in a bag labelled with your child's name.

PE kit should include

- Plain white T-shirt
- Navy shorts
- Tracksuit (for outdoor sports in the winter)
- Trainers/plimsolls (children should not be wearing their school shoes for PE. This can be a health and safety issue and also brings mud from the school field into the classrooms).

Thank you

Sporting Success!

A huge congratulations to one of our pupils who has been selected to ride for the British Dressage South & East Region. This is a huge achievement and we wish her the best of luck!

# Do you need support?

## East Tilbury Primary Schools Online Pastoral Support.

We are very excited to launch our new Pastoral service to our school community. From today you can access support by completing a simple and quick online form.

We have been working hard over the last few months to set up extra support for our families which is very much needed at this challenging time. If you require support, then please do not hesitate to reach out. We are hoping this service will be a fantastic addition to the support we can provide for our school community. Please reach out if you need anything, we are always here to offer you support.

To make the process simple we have created a QR Code (at the top of the poster) which you can just scan, and this will take you directly to the form.

# Reception

Our learning this week was based on the story, *Handa's Surprise* by Eileen Browne. In literacy, we have been working hard on applying our phonics knowledge. Lots of us have been using known sounds to begin to string some CVC words together to create a short sentence, while some of us have been using expanded noun phrases in our sentences to make them more interesting. Later on in the week, we read the story *Handa's Hen*, also by Eileen Browne, and compared the similarities and differences between the two stories.

In maths, we have focussed on sharing. We have been practising sharing items and objects into 2 equal groups, ensuring it is fair. Also, we noticed that, sometimes, there are items and objects left over when we share or group. Therefore, we have been coming up with suggestions on how to resolve this.

In PE, this week, we have been practising different sports day activities ahead of sports day next week. We are very excited about our grown-ups coming to watch us!

Also, this week, we celebrated Father's Day. We spent the day participating in activities related to the celebration after discussing how Father's Day began, why it is celebrated, who is celebrated and what we do to celebrate.

## Year One

In Maths this week, we looked at partitioning numbers. We chose a number between 10 and 50 and used dienes to show how many tens and ones are in our chosen number. We understood that if a number ended in '0' this number had 0 ones in it.

In English this week, *Starry-eyed-Stan* wrote to year 1 with a super, duper task. He is having a music concert and wants the children to design a poster. The children

identified the features of a poster and how to use persuasive adjective in their sentences. They used the skills they learnt this week and created beautiful posters for Stan. Well done year 1!

# Year 2

In our art lessons we are learning how to shape clay using a variety of techniques and tools. We explored the clay by manipulating it in different ways. We had to make it flat, 3D shapes and make a model of our own, such as fruit, animals or faces. Our teachers were very impressed!

## Year 3

We have had a busy week in Year 3 this week, for our English lessons we have been creating our own hero/heroine and mythical creature characters for our quest myths.

During our PE lessons, we have been practicing our skills for sports day. We have been learning how to work and complete activities as a team.

In Maths this week, we continued to learn about time, we have been using clocks to make times and turn them into 24-hour digital times. We have also been using our skills to work out start and finish times when knowing the duration of events.

In Art this week we are learning to combine 2D objects to make 3D structures with and without glue and cello tape. The children were very creative and enjoyed engaging in this lesson.

Our history lesson this week was all about the famous Roman aqueducts, we used Chromebooks to research facts about the history of these. We also researched about Julius Caesar and shared lots of facts about his life.

## Year 4

This week in English, we have completed grammar activities such as how to accurately use a semi-colon and imperative verbs. We continued looking at instruction texts, by the end of the week the children would have created a set of accurate instructions on how to create a sandwich. In maths, the children have started their times table test. As always, we are encouraged to revise and practice our timetable knowledge for the statutory year 4 times tables test which has started this week. Pupils are familiar with the times tables links posted in the 'Timestable' folder on Google classrooms and songs on YouTube shown in class. In PE, the children are in the second week of quick cricket, we have been learning how to catch and bat accurately. Within Science, we have started a new topic on the water cycle. Finally, in History, we have learnt about the discovery of King Tutankhamun, who discovered him and the implications that were faced. Within the history lesson, we mummified a banana by reconstructing the embalming process.

## Year 5

It has certainly been a **sizzling** week in Year 5 with the hot weather, but year 5 have been working just as hard!

In English, we have been writing persuasive letters to none other than the amazing David Walliams! They are inviting him to visit our school and support reading. Our letters feature a 'zoom out to zoom in', some powerful quotations and some hard hitting statistics - who knows, maybe he'll accept the invite?

In Maths, we have had our minds blown, looking at translations and symmetry. In science, our budding scientists learned all about the development of an embryo, and how a mother can look after an embryo. Pupils were incredibly mature when discussing this, and asked some amazing questions!

What a week we have had in Year 5! Enjoy the sunshine this weekend!

# Year 6 News

**NEWS  
ALERTS**

Our Jungle:

Children have been continuing to rehearse their end of year production and the jungle is really hotting up!

Many pupils have been able to read their lines without their scripts and some have even started to tailor-make their own costumes! The songs have been coming along really well and actions have been input into some of them—which the pupils are thoroughly enjoying at the moment!

Writing moderation:

Our pupils' books have been moderated in a formal moderation at The Springhouse in Grays. The effort and creativity of our writing has been complimented by teachers from other schools and they have all done really well!

Rounders:

Thursday afternoon all pupils took part in rounders matches; there were four games going on and the pupils showed their sporting ability as well as sportsmanlike conduct. It was a great opportunity for pupils to share the skills that they have learnt over the summer half term.

Weather:

As the weather continues to heat up, may we remind pupils to dress appropriately for the conditions and consider the use of sun cream and hats etc.

Have an amazing weekend!

# What Parents & Carers Need to Know about MONEY MULING

Money muling involves individuals – very frequently young people – being recruited to transfer illegally obtained funds into and out of their bank account on behalf of criminals (often without even realising that's the kind of activity they've become embroiled in) and usually being allowed to keep a certain amount for themselves. It's essentially a digital form of money laundering. This guide highlights some of the risks associated with money muling, and provides parents and carers with useful tips to help safeguard young people against becoming ensnared by this growing online hazard.

## WHAT ARE THE RISKS?

### LEGAL REPERCUSSIONS

Young people may be lured by the promise of quick, easy money, but by doing so they will become unwitting participants in activities that can have severe legal and financial consequences. Money muling is a serious offence under UK law. Involvement in such schemes can result in imprisonment and fines (or both). Remember, the threshold for criminal responsibility in the UK is 10 years of age.

### ONLINE RECRUITMENT

Cyber-savvy criminals are increasingly using various online methods, including social media apps and gaming platforms, in their attempts to recruit young people as potential money mules. The criminals often deploy persuasive, deceptive tactics to gain children's initial interest and attention, then seek to exploit their trust and naivety.

### POSSIBLE EXPLOITATION

Money muling is frequently carried out in tandem with other organised criminal activities such as the drugs trade or human trafficking, not only is money muling a criminal offence in its own right, therefore, but it could also expose young people to harmful situations as well as potentially putting them in contact with some extremely dangerous individuals.

### FINANCIAL LOSSES

If they (even unknowingly) transfer funds that are traced back to criminal activities, money mules can face considerable financial losses: their bank may freeze their accounts, and they can be held liable for any illegally obtained funds. People involved in money muling often also find themselves at greater risk of becoming entangled in other forms of criminal financial exploitation and fraud.

### LONG-TERM CONSEQUENCES

Involvement in money muling can have a lasting negative impact on a young person's reputation, education and employment prospects, and place colossal strain on their family life. A conviction for financial fraud would significantly damage a young person's future opportunities: they could be blocked from opening a bank account, taking out a mortgage or even securing a phone contract.

## Advice for Parents & Carers

### EDUCATE AND COMMUNICATE

Talk to your child about the risks and consequences of money muling, emphasising the importance of making informed decisions and seeking guidance if they need it. Create an open, non-judgmental space which encourages them to share their concerns and experiences, ensuring they feel comfortable getting help if they suspect they may have become involved in money muling.

### MONITOR ONLINE ACTIVITIES

If you have concerns, you might want keep a closer than usual eye on your child's online presence, including their profiles on social media and any gaming platforms that they use. These can often serve as useful early warning systems which might help you to detect any signs of attempted recruitment by criminals or other types of suspicious behaviour.

### TALK ABOUT MONEY

Discussions about avoiding being recruited as a money mule are also good opportunities for a refresher with your child about financial responsibility and good money management. It's also a helpful starting point for highlighting the importance of earning their money by honest means and the potential consequences of getting involved in illegal activities, both online and offline.

### STAY INFORMED

Criminals' methods and approaches to recruiting young people as money mules frequently evolve to reflect the online landscape. Try to stay aware of criminals' current tactics and make time to regularly check out resources provided by schools, law enforcement and financial organisations. The Don't Be Fooled Campaign (at [www.moneymules.co.uk](http://www.moneymules.co.uk)) has plenty of useful information and advice.

### REPORT YOUR SUSPICIONS

If you have reason to believe that your child, one of their friends, or someone they know has been recruited into a money muling operation, seek support and then report your suspicions. For your own safety, please don't attempt to directly confront anyone you suspect of organising money muling. Instead, contact Crimestoppers anonymously on 0800 555 111.

### Meet Our Expert

Neil Savage has a proven track record in combating financial crime, having spent 13 years with UK law enforcement – specialising in money laundering investigations and asset recovery from organised criminal groups. He now holds senior visiting expert positions at various organisations and delivers customised training and consultancy to government and private-sector clients worldwide.
