Dear Parents and carers,

Doesn't time fly when you're having fun! The last three weeks have certainly flown by, with the children engaged in a multitude of fun learning activities.

Happy's Circus

Our bespoke creative curriculum has been in full swing this week as we welcomed 'Happy's Circus' to East Tilbury Primary School. On the big day, children across the school learnt about the circus – its history and traditions as well as enjoying circus skills and music. Thanks to some last-minute interest we sold out our allocation of tickets for the event! It was great to see and experience the festival-like atmosphere created by the vendors, fete stalls and obviously the circus itself.

Thank you to all the families that came along to support the event and we hope that you had a great time together. A massive thanks must go to our amazing team of PFA volunteers who put in a 12 hour shift on the day as well as all the paperwork, preparations and organisation that goes in to putting on such a big event. We are delighted to report that early indications show that over £2000 was raised for the school! Keep an eye out on the PFA facebook page for more events and initiatives coming your way this year. If you want to find out more about the circus itself please go to <https://www.happyscircus.co.uk/>

We wish you and your families a relaxing weekend ahead,

The Leadership Team

Friday 14th October—Non-Uniform Day

The last Friday of each half term will be a non-uniform day to support our daily biscuit time.

For this we are asking for a small voluntary donation or a packet of plain digestive biscuits.

Jeans for Genes

Today we have fundraised for Jeans for Genes.

Keep an eye on our Facebook page to see how much we raised

Please label all of your child's school uniform. This will make reuniting your child with lost

jumpers/cardigans much easier for staff. Thank you

Home Learning

We have some great resources available to support and develop your child's learning at home. Ask your child's class teacher if you need support to login.

Absence

If your child is too ill to attend school, this must be reported to us by no later than **9.00am**. Please Telephone the school, press one and leave a message on the voicemail box stating your child's full name, class, the reason for absence and when we can expect them to return to school (if known).

Home Visits will be carried out for any child that is absent for 3 or more school days without reason.

Reception

We have had another busy week in reception, this week we have been reading the story *The Colour Monster* written by Anna Llenas. We have been using the story to talk about our emotions – when the colour monster is happy he is yellow, when he is angry he is red, when he is green he is calm and when he is blue he is sad. We had to think about what makes us happy, some children said their families make them happy our families when they play games with us.

We have learned some new sounds *i, n, m* and *o* which we will be using in our writing. We have been using monster slime to write the sounds, we have also made colour monsters from playdough and toilet roll monsters with googly eyes. We have been thinking about how we can use the resources in our classrooms for maths, we know we can use different objects for counting, measuring and comparing and making patterns.

The Reception Team

Classroom catch up

Year 1

This week, year 1 have been looking at the art work created by the artist Zaria Forman. She is known for her beautiful landscape drawings of the sea and icebergs. Year 1 created their own wave drawings, building on their previous lesson and knowledge which focused on lines and mark-making. Year 1 first began by listening to a piece of music and drew what they could hear and then created colourful pictures of the sea.

Year 2

We have been learning about the circus. We discussed what we already know about the circus. We went outside and completed 4 circus activities. We created music for a circus band; walked the tightrope; practised our juggling skills and walked around the playground in

In Science, we have been investigating micro habitats. We went out into the playground to find animals in their micro habitats. Can you find a micro habitat in your garden or at the park?

In PSHE, we created friendship soup. We discussed the ingredients needed to make a good friendship.

Year 3

Bonjour! Year Three have been practising French greetings and saying their names in conversation this week, which we have really enjoyed.

We have had a wonderful week exploring all the fun of the circus! The children had the opportunity to spin plates, juggle, hula hoop and spent some time learning and performing mimes. We created some fabulous posters to advertise the circus.

This term, we are learning about the Stone Age and this week we have written some amazing instructions about how to wash a woolly mammoth! We also took part in an interesting science experiment where we looked at the effects of weathering of rocks.

Year 4

This week in year 4, we have been focusing on creating a fantasy narrative. Pupils were introduced to their writing tool kits to help inspire their great ideas and to allow familiarity with the year 4 writing expectations. In science, we are continuing to look at animal classifications (in particular vertebrates and invertebrates). Pupils had fun grouping various animals and discussed their numerous properties. In maths, the pupils have looked at rounding to the nearest 10, 100 or 1000. They have taken part in mini daily times table tests and have been introduced to the websites that we are advised to use for the statutory times table test in the summer term. Pupils are aware that these links are available on google classrooms and are encouraged to practice at home (in small doses!). TTRockstars also offers a similar resource where pupils can practice their time table knowledge and have tournaments between themselves. Spellings will also be uploaded this week on google classrooms, with tests occurring the following Friday. We continue to look forward to working together this year to encourage and build on their love of learning in school and at home.

Year 5

Fantasy narratives and editing for success

This week year 5 have been writing their fantasy narratives, based on the story of how Thor got his hammer. This links in with our history topic of Vikings this term. We have spent lots of time exploring setting descriptions, fronted adverbials, expanded noun phrases and the different ways we can hook the reader into our stories. We have also spent time learning how to peer assess and edit our writing effectively; this has helped us to come up with some amazing and creative ideas for our narratives.

In PE this week, we have continued to learn about the rules of basketball and tag rugby. We have been working in small groups to develop our passing skills and are working our way up to playing team games before the end of the half term.

In maths, we have continued to explore place value, looking at larger numbers and the importance of placeholders. We have used a variety of methods to break larger numbers down and investigate what they are made up of. We have also continued to use our times tables knowledge from last year and have new tournaments active on times tables rock stars. Keep playing and scoring those points everyone!

In English we are continuing our writing using the short animation 'Francis' as inspiration—we have finally found out the story behind her disappearance and there is now much speculation about who or what was knocking on the keel of her boat.

The circus has come to East Tilbury! Happy's Circus was with us on Wednesday for an amazing evening performance of ariel acrobatics, contortion, specialist juggling and balancing acts. During the afternoon, we used our recently acquired collage

skills to recreate old-style circus posters.

A huge welcome back to all the children and parents.

I would like to announce a change to the SEND Team. Mrs Cowlshaw will now join the team as Assistant SENCo, focussing on the needs of children in Early Years with her extensive experience of teaching in this area.

The SEND Team now have a new email address. If you have any questions or queries relating to your child's needs, please email: send.etp@osborne.coop. We will endeavour to get back to you within 48 hours of contact. If the message is urgent, please contact the school office.

SEND review meetings will continue this year. Dates for next half term will be published shortly and you will be able to sign up for a convenient slot.

This year, we are pleased to announce the return of our SEND coffee mornings. These will provide an opportunity to meet with the SENCo, Assistant SENCo and visiting agencies. We would like to provide a support focus for each of these sessions and would gratefully receive any suggestions that you feel might benefit in supporting your child further. Feel free to send suggestions to the email address above. The first coffee morning will be held **Thursday 13th October from 9am - 10.30am** with a focus on social and emotional needs. We really hope you can attend.

We look forward to working with you all again this year.

FOCUS GROUP 7 SEND and Early Support

Let's share

The Thurrock Early Support and Portage Service Thurrock Portage is an education service accredited by the National Portage Association to support pre-school children aged 0-5 years with a range of special educational needs and disabilities. There are four parts to the service:

- Portage home visiting with three key elements: family focus to hear about and address family priorities, child-led play to identify and develop children's strengths and interests, and structured teaching to support children's development using a small steps approach to learning.
- Portage outreach support to pre-school and nursery settings to help them to develop their practice and meet children's additional needs.
- Early Support meetings to coordinate support from education, health, and case services, with a focus upon family's hopes and aspirations for their child and the outcomes they wish to achieve.
- Portage Playgroup for children with additional needs aged 0-5 years

We would welcome your insight into the Early Support and Portage Service in Thurrock as we continue to develop our offer.

Let's discuss

The purpose of this focus group is to:

- Provide an opportunity for you to share experiences of early years education services in the, for example Portage home visiting, early support, and support in a nursery or pre-school setting
- Answer any questions you may have

ALL TO PLAY FOR THIS SUMMER

Could you...

- ❖ Have time outdoors?
- ❖ Explore new places?
- ❖ Invite friends and / or family members to join in your favourite activity or visit a location that means something to you?
- ❖ Learn something new?

Playday, a National campaign occurs every year in August and is a campaign held to celebrate the importance of Play in children's lives.

- ❖ Play refers to a wide range of activities and behaviours that you get enjoyment from.
- ❖ Play may or may not involve equipment or have an end goal.
- ❖ Play can be energetic or quiet and contemplative, light-hearted or very serious.

Where and how you decide to celebrate Playday is up to you – what's really important is that you are having fun whilst helping to raise awareness that not all children have the chance to experience what it's like to play

Calling all 2-11 year olds with SEND!!

We would like to find out what play means to you!

Why is play important to you?

How could you encourage others to try your favourite activity?

What Parents & Carers Need to Know about

FORTNITE

CHAPTER
3

AGE RATING
PEGI
12

First released in 2017, Fortnite has become one of the most popular games in the world. It currently has around 350 million registered players. Developed by Epic Games, it began life exclusively as a 'battle royale' contest, where up to 100 online player characters would fight – with weaponry including rifles, handguns and rocket launchers – to be the last one standing. Today, it features multiple modes which each offer something different (although some modes, such as 'Save the World', are only available on certain platforms).

IN-APP PURCHASES

Not all of Fortnite is free. Save the World mode, for example, can become quite costly. An in-game currency called V-Bucks is used to buy items such as cosmetics, which are not a necessity to play the game. It can feel like buying them is essential, however – even for adult players. Making sure no payment methods are linked to the game's store is a good idea when children are playing Fortnite.

REPEAT SUBSCRIPTIONS

Fortnite now offers a monthly repeat subscription which costs £9.99 (or equivalent). This package offers different non-essential benefits every month – including fancy cosmetics, rare weapons, V-Bucks and special bonuses. Signing up, therefore, can be tempting for dedicated players. However, subscriptions cannot be paid for with V-Bucks earned in the game, only with real-world money.

COMPETITIVE COMMUNITY

Fortnite isn't purely a competitive experience (some modes prioritise cooperation), but the rivalry aspect remains central. Battle Royale is an especially ruthless mode, where the last player or squad left standing wins. Games can become heated, and players' desire to win can often cause excessively aggressive or "toxic" behaviour towards others – via the game's audio chat, for instance.

POSSIBILITY OF SCAMS

Popular games like Fortnite are often targeted by unscrupulous individuals trying to trick or exploit genuine fans. In Fortnite, scammers have been known to offer children free V-Bucks or vast amounts of V-Bucks in exchange for rare items – often asking the player to click a particular link. These scammers are seeking access to your child's account, personal information and payment details.

USER-CONTROLLED CONTENT

Some elements of online video games can't be rated for age appropriateness because the developer doesn't have control over them. In Fortnite, for instance, things like voice or text chat, usernames, trades and other player-generated content may not always be suitable for children. It also means that the makers aren't liable for anything a stranger might say to young Fortnite players online.

Advice for Parents & Carers

STAY AWARE OF SPENDING

Free-to-play games (that is, ones without up-front costs) can still be big financial drains. In Fortnite, for example, the Battle Pass – a set of rewards to improve players' experience in the game – can be either earned through playing or bought with real money (with additional incentives for the latter). With supervision, however, this can be a great lesson in money management for young people.

ENCOURAGE BREAKS

Gaming sessions can reach marathon lengths, especially when your child is on a winning streak and doesn't want to stop. Sitting in the same position for hours isn't healthy, of course, but it's an easy habit to form. Encouraging young ones to break regularly for drinks and so on will help them stay hydrated, rest their eyes and release some of the tension from competitive gameplay.

Meet Our Expert

Clare Godwin (a.k.a. Lunawolf) has worked as an editor and journalist in the gaming industry since 2015, providing websites with event coverage, reviews and gaming guides. She is the owner of Lunawolf Gaming and is currently working on various gaming-related projects including game development and writing non-fiction books.

TALK ABOUT TALKING

Communication is key in the squad-based Fortnite modes, and children will quickly realise that talking with team-mates online helps to increase their win rate. It's a good idea, therefore, to chat with your child first about speaking to strangers online, trading, scammers and other potential risks. Remind them that they can always come to you for help if they run into problems online.

DISCUSS OTHER APPS

Games like Fortnite can lead on to third-party apps (Discord, for example) where players can join a voice, text or – in some cases – video chat about the game. Certain add-ons also let children talk with other players from their local area, which clearly presents a potential risk. When discussing Fortnite with your child, you might also want to ask them about other apps they use while playing.

What Parents & Carers Need to Know about

REDDIT

R/FUNNY

R/TRENDING

AGE RATING

13+

R/MEMES

WHAT ARE THE RISKS?

Reddit describes itself as a social news website where users connect and share stories, opinions and support; debate issues; ask questions; and chat to people with similar interests. Discussion topics are organised into communities (known as subreddits) that are created, run and populated by users, who remain anonymous throughout. Free speech is encouraged, and users - or 'redditors' - can vote posts 'up' or 'down' so they get more (or less) attention. Reddit is free to join, although signing up to Reddit Premium unlocks an advert-free version of the platform.

MINIMAL MODERATION

As sharing opinions on Reddit is easy (and anonymous), offensive or age-inappropriate content is frequently posted. Moderation by admins and bots does occur, but can't cover every community - so Reddit relies on users voluntarily moderating these spaces. Subreddits marked NSFW ('not safe for work') can contain anything from profanity to pornography, so are not suitable for under 18s.

HARASSMENT AND TROLLING

If someone on Reddit doesn't agree with your child's opinion, they may feel compelled to say so - in no uncertain terms. This could lead to a public bombardment of hurtful messages. Likewise, Reddit users are highly likely to encounter trolling (where someone posts a deliberately inflammatory comment to provoke a reaction) on the platform, which can be distressing.

FAKE NEWS

Absolutely anyone can post a story on Reddit, so sub-reddits are occasionally prone to bias, misinformation and opinions being repeated as if they are facts. Fake news articles often grab users' attention with catchy or controversial headlines, and Reddit is no exception. It's important that young people are able to identify fake news - and disregard it rather than sharing it.

GIFTING AND SPENDING

Users can gift awards to the authors of posts that they like (thereby encouraging their favourite redditors to keep contributing) by spending Reddit Coins. This virtual currency can be bought on demand (with real money) or received as part of the paid-for premium package. Users sending a gift can also leave an anonymous private message, a feature which has been abused by groomers.

'SUPPORTIVE' STRANGERS

By definition, Reddit users interact with strangers in public through their community - but also have the option to do so privately. Groomers could repeatedly up-vote a child's comments or respond encouragingly to their posts to win their trust. Once they've built a rapport, the predator then begins messaging the child in private to obtain personal details or try to lure them into meeting in person.

NEVER-ENDING NOTIFICATIONS

Reddit's default is for all notifications to be on. There are a total of 26 types of notification on the platform, ranging from chat messages and comments to updates and mentions of username. This would lead to a child's device being pinged almost constantly with alerts, frequently causing them to be distracted by incoming notifications rather than being present in the moment.

Advice for Parents & Carers

SORT THE SETTINGS

Reddit's user settings can help ensure that minors don't view adult material. Under the 'Feed Settings' tab, switch the Adult Content toggle to 'off', and enable Safe Browsing Mode (this blurs out any explicit images). Also in settings, you can turn off all unnecessary notifications, so prevent your child being distracted by every post or comment on Reddit, allowing them some tech-free time.

ENCOURAGE CRITICAL THINKING

It can often be difficult to tell if something online is real or fake - particularly for young people. It's important to encourage your child to double-check with reputable sources if what they've read is genuine. Remind them to consider what motives might be in the message - and to watch out for scams. Chortling about this regularly helps to develop critical thinking skills and good online habits.

RISE ABOVE IT

If a person says something critical or offensive to your child on Reddit, it's natural that they'll want to respond. Explain to them, however, that is exactly the reaction that trolls look for. Don't give them the satisfaction. Instead, report the comment to Reddit Support for investigation. Blocking a user stops them from messaging or following your child on the platform.

AVOID PRIVATE MESSAGING

Through their Reddit profile, young people can control who's able to message them privately - with options including 'no-one' and 'accounts older than 30 days'. These controls help ensure potential groomers can't talk to your child in private, and that Reddit's admins and other users will be able to moderate and report anything they spot which causes them concern.

ETPS PFA Update

Splitting the £1.00

- 40p** goes to our school
- 36p** goes to cash prizes
- 20p** goes to admin costs
- 4p** goes to VAT

How it works...

It's simple—choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes. One of our players will win a cash prize every week, maybe even the £25k jackpot! Tickets cost just £1 per week and the proceeds are donated to East Tilbury Primary School

Every Saturday at 8pm the numbers are drawn and posted online. Winners are notified by email and winnings paid into the account of your choice.

The easiest way to join our lottery is online at YourSchoolLottery.co.uk by direct debit or debit card.

It's so easy to join and will make a real difference to East Tilbury Primary School

The Maths... 100 tickets sold a week means
= £30 weekly cash prize
= £2,080 a year for our school
