4th November 2022

Dear Parents and Carers,

It has been like we were never away! We hope that you all enjoyed the two week break and are raring to go for the busy half-term ahead and the run up to Christmas.

Harvest collection

As a school leadership we want to express our thanks to the families who donated food supplies for the Thurrock Foodbank this week. Your donations will provide valuable support for local families and those living across Thurrock. Thank you.

PFA Pumpkin raffle

The PFA would like to express their thanks to those families who took part in the pumpkin raffle over the holidays. £130 was raised for the school.

Firework safety

We hope that you all enjoy fireworks evening tomorrow and any firework celebrations you may be involved with over the weekend. We would like all the children to return to school next week uninjured, so please be extremely cautious, paying particular attention to safety measures displayed on the fireworks and keep them well back from any firework being set off. For more firework safety information please visit: <https://www.capt.org.uk/tips-for-firework-safety>

We wish you all a safe and enjoyable weekend

The Leadership Team

Friday 16th of December—Non-Uniform Day

PE KIT

Could all children please have a PE kit in school **everyday.** If you are unable to provide your child with a PE kit please use our uniform shop as we will donate them to any families that cannot provide a PE kit for their child. Please ensure the PE kit is labelled and is in a bag labelled with your child's

SEND Coffee Morning

The next SEND coffee morning is scheduled for Thursday 15th December at 9am and will be attended by the school nurse, for if you have any queries about your child's health. We look forward to seeing you there.

A range of Remembrance poppy items will be available for pupils to purchase in school, in support of the work of the Royal British Legion. Suggested donations for these items range from 20p to £2.

Absence

If your child is too ill to attend school, this must be reported to us by no later than **9.00am**. Please Telephone the school, press one and leave a message on the voicemail box stating your child's full name, class, the reason for absence and when we can expect them to return to school (if known).

Home Visits will be carried out for any child that is absent for 3 or more school days without reason.

Year 2

Its been a busy first week back to school in year 2!

We have been learning about photography and how to use devices to take high quality photographs. Once we understood the importance of lighting, angles and having a secure grip on the camera, we took our very own photographs using the iPads.

In English we have been designing our very own dragons! We designed our own dragons in preparation to write a story about them! We also described our dragons using expanded noun phrases and similes. Aren't they fantastic?

In Science, we have been looking at the Arctic regions and finding out more how animals have adapted to live there.

YEAR THREE

After a refreshing break, we have really enjoyed our first week back at school catching up with our friends and teachers.

We were excited to discover that a toy factory had written to us asking for our help to test and discover the best material for a ramp for toy cars. This experiment was the beginning of our learning in Science about Forces and Magnets and children discussed predictions and the importance of a fair test.

In Music, the children had lots of fun learning how to play different notes on the glockenspiel and together we created a wonderful piece of music! We worked very hard to keep the beat.

We continue to enjoy learning about the Stone Age through the book Ug, in English and have enjoyed the challenge of column addition and subtraction in Maths.

Year 4

Welcome back to another half term! We hope that you were all well rested. This week in science, we considered the various animal food chains thought about different examples which they recorded and discussed.

In music, pupils were encouraged to use various body percussion movements and their voices to break down various components of our song this term, Mamma Mia!

As ever, we continue to encourage both pupils and their families to practice timetables. As previously mentioned, there is a statutory times tables test that will take place in the summer term. Weekly, pupils will participate in times table tests, practice online and have the opportunity to sing times tables songs. Please be advised that all useful links have been uploaded on Google Classrooms where there will be access to practice links and music videos.

Year 5

This week pupils have enjoyed a diverse range of discussion and interactive foundation lessons. It is great to see everyone back, enthusiastic and engaging with their learning.

In PSHE, pupils have been considering what respect means. Following reflecting on a couple of thought provoking video clips pupils had the opportunity to choose whether to write an acrostic poem or generate ideas for random acts of kindness they could show to others. It was wonderful to see them show care about the people around them.

In our British values lesson, pupils considered the role that rules play in maintaining the happiness and safety of our time in school. Next they reflected on how laws play an important part in ensuring people behave responsibly in our wider society. Finally, pupils discussed, agreed and drafted the laws that they would choose to live by if they were stranded on a desert island together.

During our weekly Computing lesson, pupils were keen to share about the kind of videos they enjoy watching at home. Notably, this was done in a different way to normal. Pupils utilised an online post-it style app to record and share their ideas as part of their learning.

Well done to Year 5 on a great first week back and engaging in the various different learning activities so keenly. Keep up the good work.

Year 6

This week in Year 6, we have begun our swimming lessons. All the children who participated had a fantastic time; they were organised into groups based upon their swimming abilities and are very much looking forward to the rest of their sessions this half term.

For our English lessons this week, we have delved into the world of poetry. Next week, we will be honouring those who lost their lives fighting wars by observing a 2 minute silence on Friday 11th November. To celebrate their lives, we will be writing our own Remembrance poems.

In our maths lessons, we have started learning all about fractions. We have explored equivalent fractions, how to simplify a fraction and adding and subtracting fractions. We will be studying these skills for the rest of this half term.

During our art lesson this week, we explored micro photography using iPads; next week, we will be editing these photographs to create our own album covers. Here are a selection below:

What Parents & Carers Need to Know about

AMIGO

Amigo is a social platform which purports to connect strangers from around the world – and, with built-in translation software, it reduces the expected language barriers. Focusing heavily on one-to-one chat, video calls and live streams, Amigo encourages its users to build up online relationships and unlock exclusive features such as private video and audio calls: essentially, the more that people chat, the more functions become available to them. This is an app designed with mature users very much in mind and is therefore definitely not recommended for children.

AGE RATING

18

WHAT ARE THE RISKS?

ONE-TO-ONE COMMUNICATION

While online chats and livestreaming are a great way to communicate with people that children can trust (such as friends and family), Amigo encourages users to connect with complete strangers and develop a friendship through private chats, calls and videos. This will be a clear red flag for most parents, due to the possibility of a child encountering inappropriate content or an online predator.

INAPPROPRIATE CONTACT

Within minutes of signing up for our trial of Amigo (and without using a profile photo), users of the opposite sex were messaging with suggestive statements such as "You're just my type" and "Let's have fun". While the app's stated intent is to help people build friendships, some users obviously seek to take those relationships in a more mature and amorous direction.

MEMBERSHIP COSTS

Like many apps that are free to download, Amigo's business model is centred on in-app purchases. Users are encouraged to pay for VIP membership – enabling them to send more messages each day and boosting their profile's visibility. People can also buy coins (again, for real money) which allow them to send virtual gifts and further increase the number of messages they can send daily.

LACK OF AGE VERIFICATION

Amigo makes no secret of the fact that it's for people aged 18 or above. There's no age verification, however, so a young person could simply sign up under a false date of birth. The app's algorithm claims to match users of similar ages (making them more compatible), but either the algorithm isn't very reliable, or most users have entered a fake age which doesn't correspond with their profile pic.

REWARDS FOR REPEATED USE

Amigo gifts virtual coins to users if they reply to messages within 10 seconds, while there are also daily rewards for posting comments, sharing a video, getting likes or simply opening the app. It also encourages increasing "Intimacy Levels" with other users to unlock extra features: once someone's online "friendship" reaches Intimacy Level 3, they can hold one-to-one video calls with each other.

Advice for Parents & Carers

MONITOR DOWNLOADS

As well as frequent catch-ups with your child about what they've enjoyed doing online, you could consider taking the additional step of physically checking their phone every so often to see which apps they've installed. The safest option could be to enable 'ask to buy' (Apple) or 'purchase approvals' (Android) on their device, meaning your authorisation is needed to download any apps.

BLOCK, REPORT, DISCUSS

Many children already know that connecting with strangers online is dangerous, but it never hurts to refresh their memory. Whatever communication apps your child uses, make sure they're fully aware that if anything online makes them feel uncomfortable, scared or upset, then they can block the user responsible, report the content, take a screenshot as evidence and come to tell you straight away.

RESPECT AGE RESTRICTIONS

Apps have age restrictions for a reason, and Amigo is very definitely a mature content platform. Given that many of Amigo's users apparently use a bogus date of birth, you might want to remind your child about the implications of setting up a fake profile – such as being exposed to messages and videos that make them feel uncomfortable or feeling pressured into chatting with strangers.

ACTIVE LISTENING

If your child does approach you with a concern, make time to stop what you're doing and actively listen. Let them talk without interrupting or showing any judgement, then discuss their options and the possible solutions: this empowers them and reassures them that you're there to be supportive. If the issue is one that has put your child at risk, however, you may wish to contact the police.

What Parents & Carers Need to Know about OVERWATCH 2

A long-awaited sequel to 2016's massively successful *Overwatch*, this is a futuristic shooting game with a focus on teamwork and strategy which gives it an extra dimension to the majority of titles in the genre. Its cast of characters is diverse and memorable, while there's a definite (and rewarding) learning curve to players improving their skill. Created by established developers Blizzard Entertainment, *Overwatch 2* is free to play, with an emphasis on competitive multiplayer action – meaning that children may want to play the game even more simply because their friends have it.

AGE RATING
PEGI
12

WHAT ARE THE RISKS?

MULTIPLE PASSWORDS

Overwatch 2 supports convenient cross-play across consoles and PC – as long as users link all their devices under a unifying account on the Blizzard battle.net platform. This has other benefits (preserving a player's original skins for use in the new game), but if your child does want to link their accounts, be warned: the process can be extremely tricky and requires multiple passwords.

VOICE CHAT

As a shooting game which focuses on fast-paced, competitive play, teamwork is central to getting the most out of the *Overwatch 2* experience. Many players use voice chat to coordinate with other users – often with friends, but sometimes also with strangers. In either case, this means your child is in contact with others, who may – for example – use offensive language in the heat of the moment.

IN-GAME PURCHASING

Like many free-to-play games, *Overwatch 2* offers in-game purchases for unlocking its colourful skins. While new characters arrive as part of a free 'battle pass' each season (normally lasting around three months), players can unlock them much earlier by buying a premium version of the pass. There are also in-game bundles (with varying costs) themed around certain characters or events.

VIOLENT GAMEPLAY

Overwatch 2 heavily features combat, although the on-screen shootouts are relatively sanitised. Most of its characters are of a fantastical nature (there's a gorilla scientist with a laser weapon, for instance, and a DJ on roller-blades who fires sound energy), but some – such as Reaper, an assassin in a wealth-like metal mask – are a little on the darker side and could unnerve younger players.

Advice for Parents & Carers

ASSIST WITH ACCOUNT LINKING

If your child is trying to link their accounts from different devices together, it might be wise for you to help them set it up. Not only should it enable the process to run more smoothly (and save you being asked for the passwords for each account), but you'll also be able to make sure that the website for linking is correct. We've put the right web address under the expert's bio at the bottom of this guide.

MONITOR COMMUNICATIONS

Playing *Overwatch 2* with friends is almost universally the most popular way to enjoy the game. If your child is playing with a new friend they only know online – or a stranger – you may want to monitor the chat to make sure they aren't being exposed to anything unsavoury. You might also decide to adjust the in-game voice chat settings so only confirmed friends can speak to your child.

USE IT AS INSPIRATION

Overwatch characters represent many races, nationalities, gender identities and sexual orientations. This eclectic roster of heroes offers a superb jumping-off point for discussing racial, sexual or gender diversity with your child. Whether it's finding Nepal on a globe together or talking about non-traditional relationships, the game could be an excellent conversation starter.

LIMIT IN-GAME SPENDING

The loot boxes featured in the first *Overwatch* have been replaced by a rotating storefront – so users only have a set time to purchase a skin or item before it becomes unavailable. Your child can still earn plenty of items, however, through the free battle pass. In any case, we'd advise removing any payment methods – or at least setting limits in advance – if you're worried about in-game spending.

WATCH SOME GAMEPLAY

Overwatch players fight with an array of weapons and explosives, but the battles are presented in a way that forgoes blood, gore or dismemberment, regardless of the mode or characters selected. The game also usually avoids the word "kill" – referring to "eliminations" instead. Watching footage of *Overwatch 2* on YouTube could help you decide whether it's suitable for your child before they play.

EAST TILBURY PRIMARY SCHOOLS PRE-LOVED UNIFORM SHOP

OPENING TIMES:
TUESDAY 8.40-9.00
FRIDAY 15.00-15.30

This week we are relaunching our school uniform shop. Considering the current cost of living crisis and how moving forward we want to support our families and school community, we have made the decision that we will no longer be charging per item and the uniform will now be donated to you free of charge.

All that we ask is that at the end of each year, if any of your child's old uniform that no longer fits is still in good condition, then you donate back to us so that we can recycle them to another family.

The condition of our stock is monitored very closely so please be assured that all items of clothing are in good or excellent condition.

We are extremely pleased to announce that we have received sponsorship from UNISON.

Peter Sansom, Branch Secretary for Thurrock UNISON says, "We are delighted to be able to collaborate with East Tilbury Primary School on this exciting pre-loved clothing project by providing funding for essential equipment for the new shop. The aims behind it align with the UNISON values perfectly – it provides a cost-effective solution for low-income families and vulnerable pupils as well as recycling perfectly good clothing which would otherwise end up in landfill. In this climate we commend the school and volunteers who implemented such a successful and important project, and this is why we are so happy to be associated with this. We are always looking to support schools with valuable projects such as these and would welcome enquiries for future collaborations to expand this fantastic concept across Thurrock."

UNISON have made a donation which will cover the upkeep and running of the shop for the next two years. With their donation we have been able to purchase washing powder, lighting, and clothes rails. We also now have a permanent base on the KS2 playground by years 5 & 6.

Please pop by and visit us. Any donations will be very gratefully received and can be taken to the school office or dropped off to a member of staff on the gate.

Do you receive any of the following?

- Income support
- Employment Support Allowance (Income Related)
- Income based Job Seekers Allowance
- Guaranteed Pension Credit
- Child Tax Credit and your income (as calculated by the Inland Revenue) is less than £16,190
- Universal Credit
