and working towards an outcome more independently.

Making skills:

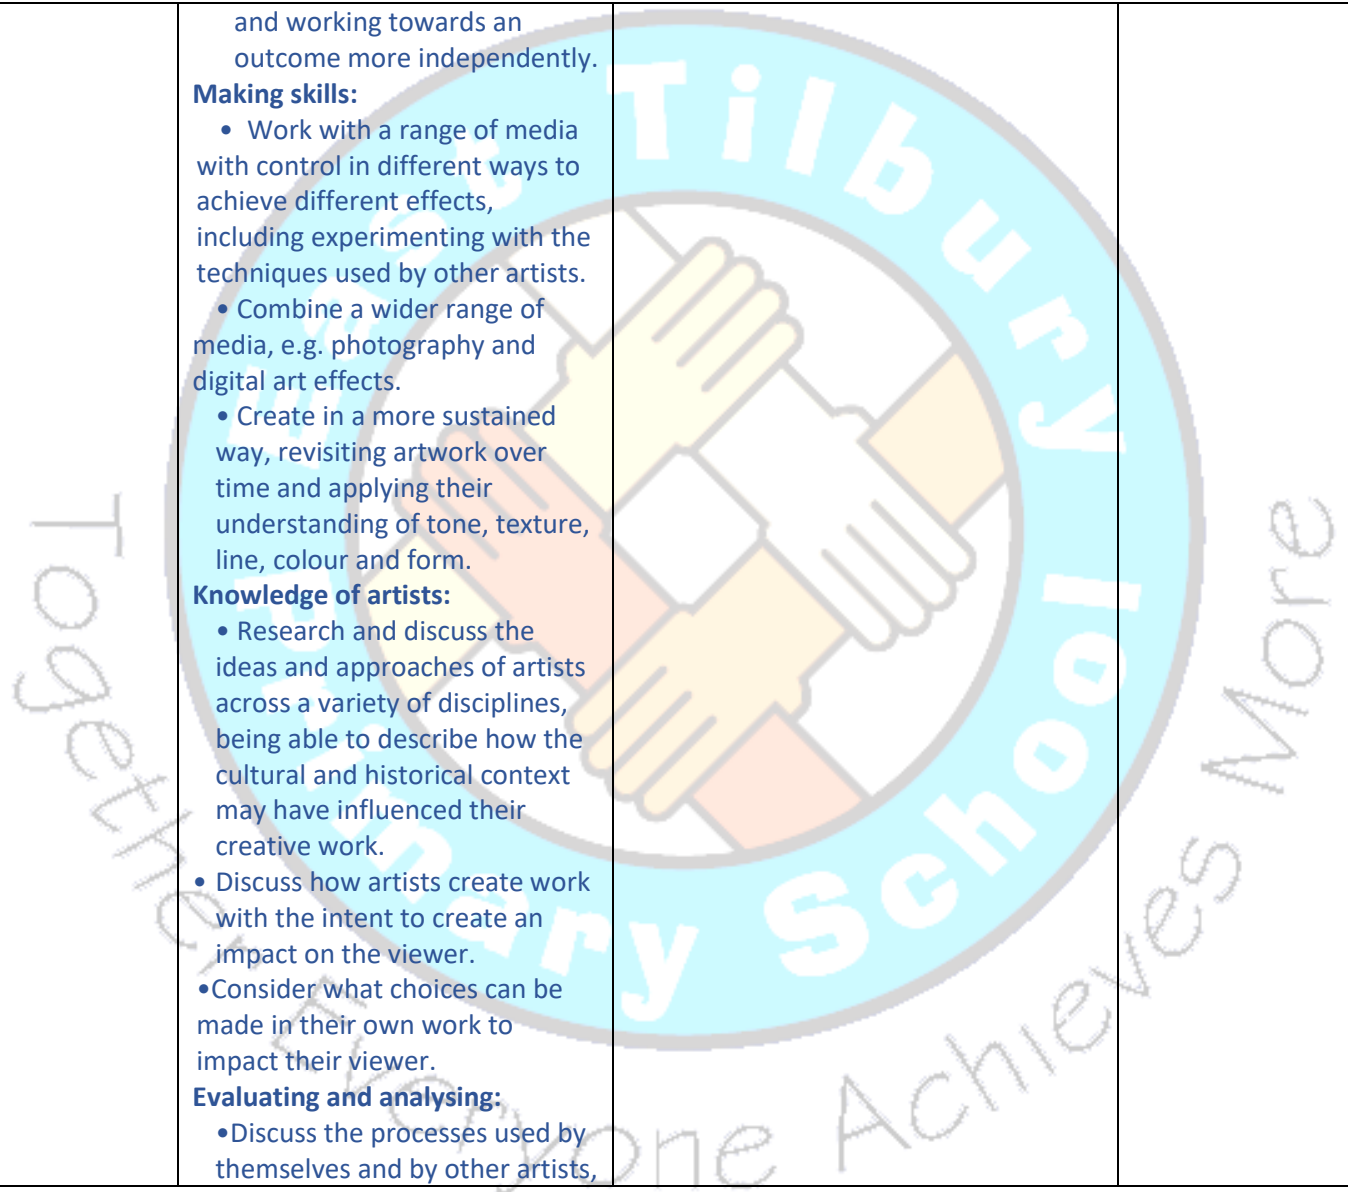

- Work with a range of media with control in different ways to achieve different effects, including experimenting with the techniques used by other artists.
- Combine a wider range of media, e.g. photography and digital art effects.
- Create in a more sustained way, revisiting artwork over time and applying their understanding of tone, texture, line, colour and form.

Knowledge of artists:

- Research and discuss the ideas and approaches of artists across a variety of disciplines, being able to describe how the cultural and historical context may have influenced their creative work.
- Discuss how artists create work with the intent to create an impact on the viewer.
- Consider what choices can be made in their own work to impact their viewer.

Evaluating and analysing:

- Discuss the processes used by themselves and by other artists,

	<p>and describe the particular outcome achieved.</p> <ul style="list-style-type: none"> • Use their knowledge of tools, materials and processes to try alternative solutions and make improvements to their work.
