

Newsletter

20th May 2022

Dear Parents/Carers,

Despite the changing nature of the weather this week, the children have been consistently working hard! Today was our curriculum enrichment day for many of the year groups and lots of creative learning took place. Bravely battling the weather, the reception children enjoyed a great Teddy Bears picnic!

2 Johns E-safety Day

On Monday we hosted a whole day e-safety event for children, staff and parents. The day was full of good advice and support to ensure that our children enjoy using the resources available to them online but in the safest way. As part of the day the 2 Johns hosted a parent workshop in the evening via zoom. I am pleased to say that we are able to share that recording with you and the link will last for up to 25 days from today (see below). If you want to find more information out about the 2 Johns and their work please visit their website: <https://esafetytraining.org/>

Parent workshop link – open for 25 days:

Jubilee celebration Friday 27th May 2022

On the last Friday of this half term (27th May), as a school we will be marking the Queen's Platinum Jubilee. On the day, children can come to school in non-uniform wearing blue, red or white (or a combination). We ask for a voluntary contribution of up to a £1, or if you would like to donate more, in change (1p,2p,5p,10,20p etc). In conjunction with the PFA we will be raising money for a Sensory Trail to be installed in the playground to add to our outdoor learning experience for all children and especially those with SEND. Our plan is to use the change brought in to create a money trail in the shape of the Queen's crown. On the day, weather permitting, children will eat outside with their classes (mini, street-party style) and enjoy a creative activity in the classroom as well as learning all about the history of the Queen and her life. A cold option will be available if your child usually has a dinner so that all the children can sit together outside (more details on this to follow). We look forward to this celebration of her majesty's life. This will replace our 'biscuit' non-uniform day for this half-term.

We wish you and your families a relaxing weekend,

The Leadership team

Curriculum Enrichment Day

Across the school today our children have enjoyed taking part in a wide variety of learning experiences from across the curriculum from making Roman shields to Tudor houses!

Take a look at our school Facebook page to see what we have been getting up to today!

Absence

If your child is too ill to attend school, this must be reported to us by no later than **9.00am**. Please Telephone the school, press one and leave a message on the voicemail box stating your child's full name, class, the reason for absence and when we can expect them to return to school (if known).

Home Visits will be carried out for any child that is absent for 3 or more school days without reason.

Thurrock
Teacher Training

St Clere's School

Lead ITT provider in partnership with the TES institute are pleased to announce that trainee places are available for the academic year 2021/2022.

'Our trainees success rate
Securing QTS = 100%
Employed = 100%

|Get into Teaching

We have limited places across our partner schools in both primary and secondary phases

Our partner schools for 2021/2022 include;
Primary

Chadwell St. Mary, Deneholm, East Tilbury, Thameside, Stifford Clays, Horndon-on-the-hill, Stanford-le-Hope, Doddinghurst, Little Thurrock, Arthur Bugler, Warren Primary, Bonneygate.

Secondary

Grays Convent, Marshalls Park, Ormiston Park Academy, St. Clere's, William Edwards, The Gateway Academy, Thames Park, Brentwood County High, Hathaway Academy.

For all enquiries please contact

thurrockteachertraining@osborne.coop

Important dates:

Friday 27th May 2022	Jubilee Day
Monday 30th May– Friday 3rd June 2022	May Half Term
Monday 6th June 2022	Children return
Monday 6th June 2022	Year 1 Phonics Screening Week
Wednesday 22nd June 2022 AM	EYFS Sports Day
Friday 24th June 2022 AM	Y1, Y2 and Y3 Sports Day
Friday 24th June 2022 PM	Y4, Y5 and Y6 Sports Day
Tuesday 19th July 2022	Biscuit Non-School Uniform Day
Wednesday 20th and Thursday 21st July 2022	Non Pupil days (INSET days)
Friday 22nd July— Wednesday 31st August 2022	Summer Holidays
Thursday 1st September and Friday 2nd September 2022	Non Pupil days (INSET days)
Monday 5th September 2022	Pupils return to school

Please be advised that due to COVID-19 there have been some changes to our school dates.

All given dates are subject to amendment.

Classroom catch up

Reception

This week in Reception we have been learning about the story The Three Billy Goats Gruff. We used goat masks to retell the story, we liked the part in the story when the troll says "who's that clip clopping over my bridge." We have been using our adjectives to describe our own trolls based on the one from the story.

We have been trying to make bridges using different materials, we tried making papier-mâché bridges to see if they would stand and we have tried to make bridges out of pasta and play dough. We also junk modelled some bridges, we carefully chose the resources and materials we thought would work the best.

In maths this week we have been learning about doubling. We have tried lots of different tasks to help us. We painted dots and folded the paper in half to print them on the other side and make double and we have practised our number sentences.

On Friday, we got to bring our own teddy bears in to have a teddy bear picnic with us. Then our grown ups got to come into our classrooms and do some fun activities with us and look at our work!

Year 1

This week in computing Year 1 focused on our foundation subject 'the seaside'. They were able to apply the skills they acquired from last week's lesson using doodle buddle and created a seaside picture. The children demonstrated excellent creativity and exhibited beautiful seaside pictures. Well done year 1!

For enrichment day in year 2 we have been busy making Tudor houses! We worked in pairs, so first we had to collaborate our plans. Once we had decided on our plan, we had to use glue to stick our boxes together. Then we painted them white to create the correct effect before using paper and card to add further detail. Aren't they amazing!

Year 2

We had two very exciting visitors come into school on Monday afternoon. John and John known as the two John's came in to talk to us about e-safety. We played a quiz which revealed the games we play and how we play them. They taught us about how keep ourselves online and what to do should we encounter somebody that is unkind.

In Science this week we have been learning all about recycling. We discussed the different ways that we can recycle, including using different bins, bags and boxes and the importance of recycling at home and in school. We also looked at the recycling process and explored how our rubbish can be used again. It was very interesting!

This week year 3 have been continuing to develop our understanding of life in the Roman times. We looked at the strength of the Roman army and discussed the weapons used that led them to great successes. As part of this, we designed our own Roman shields, looking carefully at the original designs from the past. As part of our Enrichment day, the children thoroughly enjoyed bringing their designs to life during the creative process. They had to carefully cut shapes to build up a 3D effect for the main design, then used red and gold coloured paint to add colour. Although some of the shapes were tricky to cut out, we didn't give up and enjoyed an extended Golden time to praise our efforts.

In maths, we have been finishing our unit on Fractions. This week, our focus was on both addition and subtraction of fractions using the same denominator. In English, we completed our newspaper reports about the disappearance of Pompeii. We worked incredibly hard to use quotes and back up our points with evidence to really grip the reader's attention.

Year 4

This week in year 4 we have had such an exciting time looking at the real world and how we will begin to navigate through it. We started the week off with an exciting presentation from the two Johns about being safe online. The pupils fed back that the session was eye opening and they enjoyed learning new facts to keep them safe.

We then had a collaborative lesson with the year 6's which was very helpful to build their understanding of money. The year 6's helped with selling items to the year 4's who had a spending card budget of £100! Pupils were encouraged to buy items, deducting from £100 or totalling to £100 (with the column methods written in books).

Finally, today during our enrichment day, we have been looking at various mechanisms and the children formed basic versions of the 6 systems (pulley, lever, wheel and axles, inclined plane, wedge and the screw).

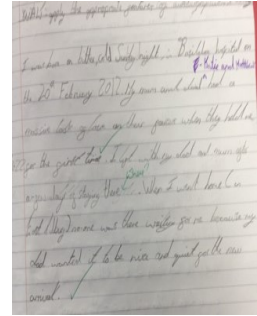

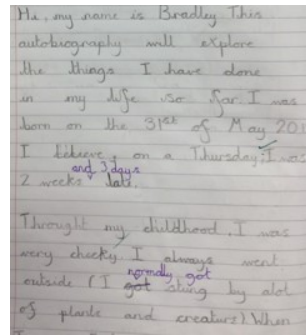

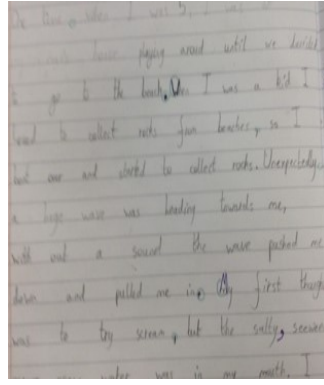

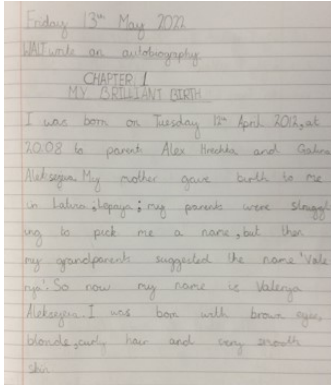

Well done to all the pupils and their families for competing in the weekly times table challenge! The scores are looking good and the result can be seen greatly in their weekly tests too! Thank you for the continuous dedication and practice of times tables year 4! Keep it up!

Silhouettes, Treasure Hunts and Two Johns

Another busy week in Year Five is coming to a close! We have been blessed with amazing weather, hard-working pupils and two special guests this week.

In English this week, children have been completing their autobiographies and, I must say, they are absolutely amazing and it has been a pleasure reading about their lives. Here are some examples of their work:

In science, pupils have been exploring lifecycles of amphibians and insects, with a focus on metamorphosis. Pupils had to search in our beautiful quiet area for clues as to the stages of lifecycles. Some were searching for the frog lifecycle; others the lifecycle of a grasshopper and the others the lifecycle of a butterfly.

During Maths, we have continued to explore angles; this week we have been focussing on angles around a point, as well as within triangles. Pupils have also explored properties of triangles and have used their reasoning skills to solve problems based on them.

With the weather blessing us during PE, pupils have been honing their rounder skills! We took part in some catching, fielding, batting and running activities; this eventually led to three mini-games happening later on in the lesson. This was only our second lesson but the pupils really showed off their batting and fielding skills. Special shoutout to HM and JA in 5NB and DA and AB in 5CP.

In art, we have been finishing our silhouette pictures by adding a painted backdrop to them. Their art was inspired by WWI and they created a silhouette of a soldier with a colourful, contrasting background.

On Monday, we were lucky to have the 'Two Johns' in and they hosted an e-safety assembly with pupils throughout the school. They even hosted a parent workshop in the evening too!

Have a lovely weekend! From all the adults in Year 5 :).

Year 6

To begin the week after SATs the children participated in an art curriculum day. As some of you may know, a group called Kinetika have been into the school to get the children involved in the T100 festival as part of the Queen's Platinum Jubilee celebrations. Kinetika specialise in hand painted silks, and have made some incredible silk flags celebrating the key workers of Thurrock. We collaborated with them to make our own beautiful artwork to celebrate key workers in our community. We used the paper that Kinetika had used to print their silks onto, which had remnants of their painting and attached our own key worker drawings onto it. The children then wrote a short paragraph about why their chosen key workers inspire them. Some children will be selected to represent their school and share their artwork and writing during a walk alongside Kinetika in East Tilbury as part of the T100 festival on 18th June.

REACH!! FOR THE STARS

Our 'Stars of the Week' are the children that have gone over and above in their efforts. We are very proud of them for their achievements and thought they deserved an extra-special mention!

RJG	Harper H	For making good choices in all her learning
RMB	Edie-May	For her independent sentence writing.
RFC	Jacob M	For being a good role model
REC	Kara	For her growing confidence with sharing her ideas on the carpet.
1CH	Stanley	For his outstanding effort in English.
1GC	George	For making good choices and always trying his best.
1FK	Malachi	For being an exceptional role model to others.
1BA	Jannie	For settling in well into his new class.
2VC	All 2VC	For wonderful Tudor houses.
2RS	Grace	For her great work with fractions this week.
2NL	Neveah S	For having a fantastic first week and having a positive attitude to learning.
3RM	Valario	For working really hard on his Roman shield.
3SH	Kaitlin G	For the creative Roman shield
3NM	Isabelle C	For demonstrating the cooperative values of self-help and self-responsibility; responding to learning suggestions positively
4JP	Charlie	for approaching her learning purposefully by listening to and learning from other pupils in our class
4MR	Alessia C	For persevering and independently creating a moving crocodile using 2 lever mechanisms.
4SA	Evie-Mai C	For her amazing work in English this week. Well done for effectively using figurative language in their setting description.
5CP	Heaven M	Continuing to improve her attitude to learning and making positive choices all half term.
5BG	Harrison H	For his amazing work in English this week.
5NB	Jake H	For his amazing resilience on our Curriculum Enrichment Day.
5TH	Archie R	For his witty and humorous animation on our Curriculum Enrichment Day.
6LC	Georgia D	For a continuing great attitude to learning
6VP	Rebecca & Gerda	For excellent participation in the Kinetika practice walk.
6JM	Velsie FM, Rubie H, Abbie K, Georgia M	For excellent participation in the Kinetika practice walk.

Maths Marvels

Well done 6LC with an amazing 617 points this week!
Who will be our TT Rock Stars leaders next week?

A huge well done to 3NM who currently have the most points this week.
Well done to everyone who has accessed Mathletics this week!

All classes	Activity points	Skill Quests points	Live points	Total points
3NM	8130	0	4760	12890
4JP	1820	0	0	1820
2VC	1020	0	55	1075
4SA	700	0	0	700
6JM	580	0	0	580
REC	460	0	0	460
5CP	400	0	137	537
1FK	310	0	57	367
1CH	290	0	0	290
3RM	200	0	238	438
1GC	100	0	0	100

Does your child struggle with spelling? Some children struggle with their phonological processing and memory which means that they have difficulty hearing the individual sounds (phonemes) within words. They may struggle to break down words into smaller parts or choose the correct letter to correspond to the sound they are intending to write.

The British Dyslexia Association offers advice to help your child strengthen their spelling:

- Help your child to understand words are made up of syllables and each syllable has a vowel sound. Say a word and ask how many syllables there are. Help your child to spell each syllable at a time
- Write words in different coloured pens to make a rainbow or in shaving foam, flour or sand over and over again to help your child remember them
- Look with your child at the bits in the words which they find difficult - use colours to highlight just the tricky bit
- Look for the prefixes and suffixes in words, e.g. -tion, -ness and learn these chunks. Explore with your child how many words have the same chunks at the beginning or the end of words
- Use flashcards or play matching games to let your child see the words lots of times - the more times they see the word, the better they will be able to read and spell it
- Use cut out or magnetic letters to build words together, then mix up the letters and rebuild the word together
- Use mnemonics - silly sentences where the first letter of each word makes up the word to be spelled
- Find smaller words in the bigger word, for example 'there is a hen in when'

Go over the rules of spelling together, e.g. a 'q' is always followed by a 'u'. Ask your child's teacher for the rules they teach in class

Further advice and strategies can be found in the Soundcheck booklet within the link below:

https://cdn.bdadyslexia.org.uk/uploads/documents/Advice/Help-Child/Parents_BookletLandscapev2_2.pdf?v=1554738568

The Queen's Jubilee Competition

This year, Her Majesty The Queen will become the first British Monarch to celebrate a Platinum Jubilee, 70 years of service!

Age 2-16 with SEND

We want you to get involved with Thurrock's very own celebrations by designing a crown!

What does your crown say about you?
What's important to you?
What are your aspirations for the future?

Opens 16th May
Closes 17th June

THE WINNING CROWN MAY COME TO LIFE!

Send your entry, along with your name, age and school to:
OASEND@thurrock.gov.uk

Good luck!!

COMMIT TO BE FIT!

PE Days

Monday - Y1, 3NM, 4MR and Y4

Tuesday - 2NL, Y6, 4JP, 5NB and 5CP

Wednesday - RFC, REC, 1CH, 1GC, 1BA, 5BG and 5TH

Thursday - 3SH, 3RM, 2VC, 2RS, 1FK and 4SA

Friday - RMB, RJG, Y2, Y5, 6JM, 6LC, 6VP and Y3

Sports Day

This year Sports Day will take place on the following dates ...

EYFS Sports Day Wednesday 22nd June 2022 9.15 am—10.30am

Y1,Y2 and Y3 Sports Day Friday 24th June 9.15am-11am

Y4, Y5 and Y6 Sports Day Friday 24th June 1.30pm—3pm

This year, we will be welcoming parents and carers to join us for these events. More information about these events will be coming out soon!

ETPS PFA Update

Splitting the £1.00

- 40p goes to our school
- 36p goes to cash prizes
- 20p goes to admin costs
- 4p goes to VAT

How it works...

It's simple—choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes. One of our players will win a cash prize every week, maybe even the £25k jackpot! Tickets cost just £1 per week and the proceeds are donated to East Tilbury Primary School

Every Saturday at 8pm the numbers are drawn and posted online. Winners are notified by email and winnings paid into the account of your choice.

The easiest way to join our lottery is online at YourSchoolLottery.co.uk by direct debit or debit card.

It's so easy to join and will make a real difference to East Tilbury Primary School

The Maths... 100 tickets sold a week means
= £30 weekly cash prize
= £2,080 a year for our school

To start supporting, visit:
yourschoollottery.co.uk
and search for: **East Tilbury Primary**

Supporters must be 16 years of age or older

ONLINE SAFETY FOR UNDER 5s

10 Top Tips for Parents and Carers

According to Ofcom's most recent research, a significant proportion of children are already online by the time they start school, with 17% of 5-year-olds owning their own mobile phone and 50% using messaging platforms. As becoming familiar with technology is generally encouraged in younger children – and has been essential for education during the pandemic – it is crucial that trusted adults recognise both the benefits and the risks of infants and toddlers using digital devices. We've compiled our top tips to help the under-5s start their online safety journey.

1 USE DEVICES TOGETHER

This lets you monitor and control what your child is using the device for. It also provides the interaction that supports children's understanding of what they're seeing – allowing them to ask you questions, and so on.

PARENT CODE:

6 BLOCK IN-APP PURCHASES

If your child uses a device that's linked to a payment method (such as a bank card), use the parental controls to block buys from app stores, as well as in-app purchases. That will prevent your child from accidentally spending money while on your device.

2 ACTIVATE PARENTAL CONTROLS

Most digital devices have built-in parental controls that can limit the type of content children have access to. If your little one uses any device (even borrowing yours), it's a good idea to explore what controls the device has and enable them whenever they have access to it.

7 CHOOSE SAFE APPS AND SITES

There are some fantastic apps and platforms that are specifically designed to be safer for children. Always check the PEGI age rating before downloading an app, and test it yourself before allowing your child to use it.

3 MANAGE SCREEN TIME

This can be tricky, especially if your child is interested in a certain video, app or game. Try to agree on some ground rules and get your child into a routine which includes certain times of the day when they go without devices.

8 INVOLVE THE FAMILY

If your toddler has older siblings, it's likely that their rules for device use will be different – and that they'll access content that isn't appropriate for younger ones (a particular worry if they share devices). Encourage the whole family to be good role models and help little ones stay safe online.

4 TALK ABOUT BEING SAFE ONLINE

Just like we teach children about being safe in the real world, we need to educate them about how to stay safe online. Use age-appropriate language to help them understand, and plenty of hand gestures can reinforce what you're telling them.

9 IF IN DOUBT, ASK

The easiest way to find out what your child is doing online is usually just to talk about it with them. Developing an open dialogue at an early age helps them grow up feeling able to talk to you about their digital life – providing opportunities to intervene if you're concerned.

5 SET A GOOD EXAMPLE

Children often learn by watching and copying those around them, and using digital devices is no exception. When you're around your child, try to follow the same rules that you've set for them. Let them see you balancing your time online with interacting with people in real life, too.

10 SUPPORT CREATIVE & ACTIVE PLAY

Physical and creative activities are important for a child's wellbeing, and there are plenty of ways to incorporate technology into that. For example, you could encourage games that require physical movement, dance and sing along to songs your child loves, and follow step-by-step crafting videos.

Meet Our Expert

Konstantina Moustaka is a professional development and EYF5 coordinator at an 'outstanding' nursery school in London. She has been working as a nursery and early years practitioner, both in the UK and internationally, for the past 16 years.

Users of this guide do so at their own discretion. No liability is entered into. Current as of the date of release: 11.05.2022

Do you receive any of the following?

- Income support
- Employment Support Allowance (Income Related)
- Income based Job Seekers Allowance
- Guaranteed Pension Credit
- Child Tax Credit and your income (as calculated by the Inland Revenue) is less than £16,190
- Universal Credit
- Receiving support under Part VI of the Immigration and Asylum Act of 1999
- In the Armed Forces

If you can answer yes to any of the above you may qualify for free school meals/Pupil Premium

The school office will help with your application. If your application is successful not only will your child receive free school meals, but our school will receive £1,300 additional funding (per child). This is called Pupil Premium.

All applications are confidential.

East Tilbury Primary School Pre-Loved Uniform Shop.

The shop will be open every Tuesday & Friday morning between 8.30 & 9.15am.

We have the following items in stock at affordable prices:

School logo jumpers & cardigans £2.50 each

Plain navy jumpers & cardigans £1.00 each

Grey School Trousers £1.50 each

Grey skirts & pinafore dresses £1.50 each

Summer Dresses £1.50

Polo T-Shirts £1.00 each

Boys & Girls smart shirts £1.00 each

Warm winter coats £3.50-£5.00 each

St Clere's Blazers £5.00 each

Shoes & Plimsolls from £1.00

PE Shorts and T-shirts £1.00 each

PE Tracksuits £1.50-£3.00

For those parents that cannot get into the shop but are in need of uniform you can also drop us a message on office.etp@osborne.coop and we can source the uniform you require and get it delivered locally to you or arrange collection at the school office.

All the money raised from the uniform shop is put back into supporting families in our local community or into buying resources for the children to use within our Well-being hubs or on the playground.

Please keep us in mind if you have any good quality uniform that your child no longer needs that you would be happy to donate. We would be so grateful for any donations so that we can keep offering this service to our school community.

All donations can be dropped into the school reception or handed to a member of staff at the gate.

Help is at hand

Keep in touch!

We are missing being in contact but do not forget we are still here to help where we can.

Our school office is open to receive calls between 8:30am and 3pm.
