12th November 2021

Dear Parents and Carers,

Remembrance Day

Thank you to all who made a donation to the poppy appeal this year. Children have enjoyed wearing their poppies or related items in school and thanks to your efforts we have raised almost £500 to give to the Royal British Legion. This money will support the work of the RBL and benefit the families of those lost in conflict.

Yesterday, we were able to host a very small gathering at the War Memorial to mark Remembrance Day. The year 6 children led us in a service of Remembrance and we were grateful for the support from the Royal British Legion and Reverend Michelle Marshall. Wreaths were placed at the Memorial on behalf of the Osborne Academy Trust, KS1 children of East Tilbury, KS2 children of East Tilbury, Bata Heritage Centre, Mayoress of Thurrock and the Royal British Legion. We were very proud of how our year 6 children conducted themselves and represented the school. The rest of the school and staff also observed two minutes silence following a piece of work on the meaning and significance of this national day of remembrance.

We wish you all a relaxing weekend.

The leadership team

Thurrock Council are asking for help from all the budding artists out there to create a SEND mascot.

They would like you to submit your ideas as to what our SEND Mascot would look like - it could be a person, animal, spaceship or anything you think it could be!

They are calling on all budding artists who are invited to submit their drawings, paintings and works of art to them, along with a name for your mascot and why you think it should win. The three categories are : Early years, Primary and Secondary. You can work alone or with a friend if you like. They would love to see your masterpieces.

There will be prizes up for grabs!!!

Deadline date: 14th November 2021

Send your masterpieces to: QASEND@thurrock.gov.uk along with your name, school and Year Number.

Good Luck!

A colorful poster titled "DESIGN A MASCOT!". The background is a rainbow gradient. In the center is a large white question mark. To the left is a pink video game console with a screen showing a pixelated character. To the right is a grey koala. At the bottom left is a grey and white fox. At the bottom right is a purple pig-like creature. The poster contains several text boxes: a purple box on the left with details about the competition, a yellow starburst on the right with prize information, and a blue box at the bottom with submission instructions. A pink circle at the bottom left shows the closing date as "14th November". The background is filled with various art-related terms like "DRAW", "SKETCH", "COLLAGE", "SCULPT", "PAINT", "DESIGN", "CRAFT", "MASCOT", "ART", "CREATING", "IDEAS", "DRAWING", "PAINTING", "SCULPTURE", "CRAFTING", "MASCOT", "ART", "CREATING", "IDEAS", "DRAWING", "PAINTING", "SCULPTURE", "CRAFTING".

For those parents that cannot get into the shop but are in need of uniform you can also drop us a message on office.etp@osborne.coop and we can source the uniform you require and get it delivered locally to you or arrange collection at the school office.

All the money raised from the uniform shop is put back into supporting families in our local community or into buying resources for the children to use within our Well-being hubs or on the playground.

Please keep us in mind if you have any good quality uniform that your child no longer needs that you would be happy to donate. We would be so grateful for any donations so that we can keep offering this service to our school community.

All donations can be dropped into the school reception or handed to a member of staff at the gate.

Classroom catch up

Reception

Another busy week! We have continued to learn about people who help us this week with a focus on the emergency services. In literacy we have been talking about different members of the emergency services and their roles, and we have been concentrating on writing lists. We learned that we need to use bullet points and a new line for each item we include in our lists.

In maths, we have been working on addition.

We began by using part-whole models to help us recognise that items can be grouped together to make a larger amount. Later in the week, we were introduced to the addition and equals signs and practised using number sentences to represent our addition processes. At the end of the week, we explored making amounts to 10 using Numicon, cubes and counting bears.

On Thursday, we learned all about Remembrance Day and participated in a two-minute silence. Our topic session involved discussions when Remembrance Day is, what people think about, and do, on that day, what poppies symbolise and why people wear them. After, we engaged in lots of different activities including, drawing and labelling something about Re-

Year 1

In our Maths lessons this week, year one discussed what the + symbol means, and the different phrases used for the same symbol. Then, we learnt that the addition symbol needs to be combined with the equal (=) sign to make our number sentence. Afterwards, we used an array of resources to add different amount together to work out what they equal to.

To consolidate our knowledge of addition, we started to look at adding 2 numbers. We worked through several examples on addition as a class and we discussed the importance of 1:1 correspondence for accuracy in our counting. For our activity, we had the addition peg cards where we could colour in or peg on the correct answer.

Year 2

In Science, we used our scientific knowledge of the different habitats we have learnt, to create a diorama. We worked in fours to create a habitat each. We had a polar, marine, desert and rainforest habitat. We had to think of the different features we would find in them and the types of animals that would live there.

In DT we planned, assembled and joined different pieces of materials together to create a paper bag puppet.

News from Year 3

3 NM have been exploring the seasonal changes to our outdoor environment, we looked for bugs using magnifying glasses and binoculars.

We have collected different coloured autumn leaves and used these to create art.

In English, we used chrome books to research Sabre Toothed Tigers and drafted a non-chronological report about these; and in Math's we continued to build on our addition and subtraction skills. On Remembrance Day, we paid our respects, by joining in to the 2 minutes of silence.

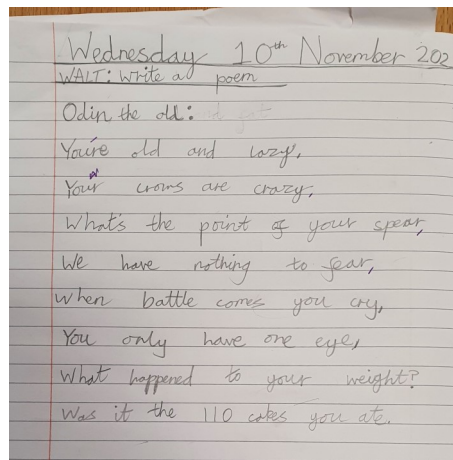

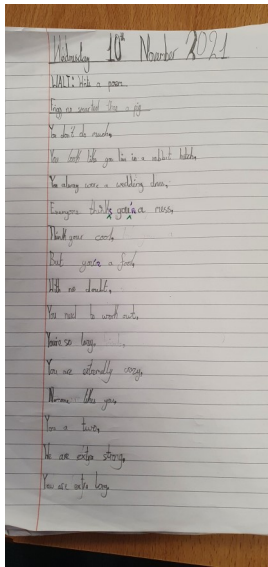

Year 4 Music

Year 4 showed their creativity, style and sense of rhythm by learning about different percussion instruments and what makes up a drum kit. We then tried some body percussions and then designed our own beats using a variety of instruments.

This week year 5 have been continuing their learning about the Vikings, in both English and History. For English, we have been looking at the Viking tradition of flyting (this is similar to a modern day rap battle). The children spent time writing their rhyming insults and in role of the Norse Gods exchanged them with each other. We had some very creative insults using our knowledge of this time period.

For history, the children have been looking at the different Norse Gods. We have spent time exploring who they were, what they were the god of, their special powers and how they were connected to each other. The children used a variety of ways to investigate their chosen God, using techniques such as drawing, creating a fact card, role play and conducting an interview. We were able to recall lots of different facts about the different Gods.

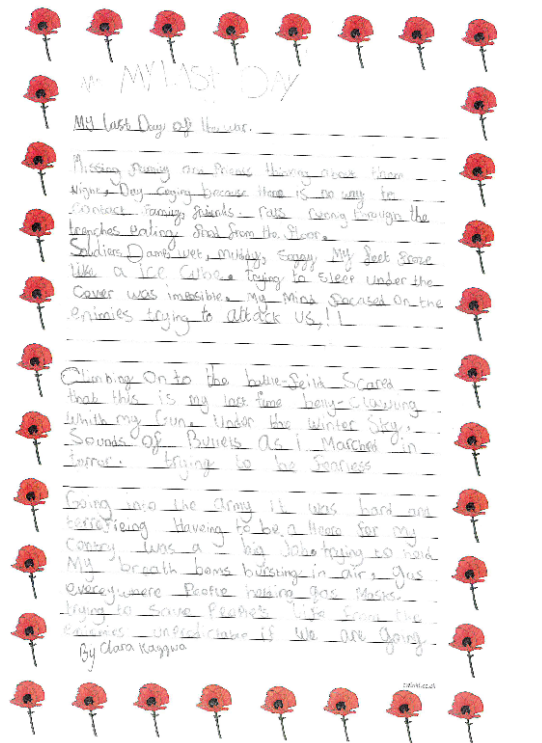

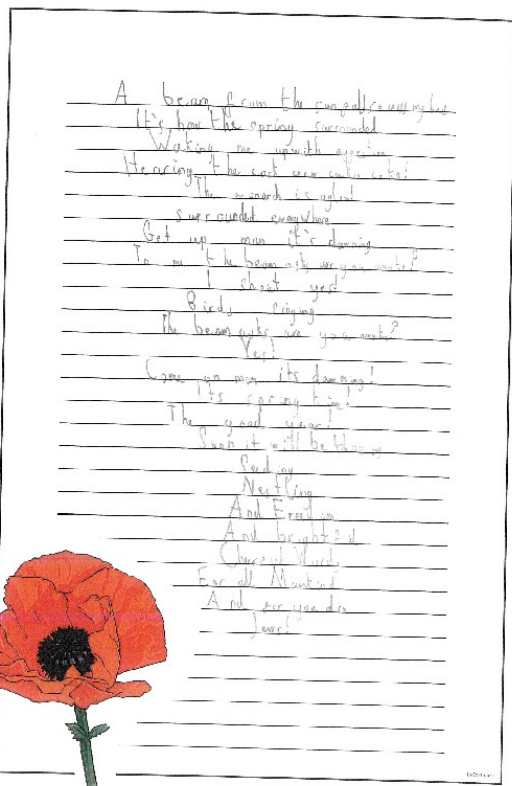

In maths and computing our focus has been on reading and creating different charts. Our computing skills have developed and the children are now able to use google slides to create their own digital bar and pie charts. We recorded our own data by using democratic voting. Our maths lessons have started to look at different types of charts and how we can read data from them.

The children's netball skills have been developed further in our PE lessons this week. We have been practicing our pivoting, passing and shooting. We then consolidated all of our skills by playing some invasion team games. The children had lots of fun and they are eager to join in and show what they can now do.

Year 6

This week, Year 6 have spent a lot of time focusing on Remembrance and rehearsing our Remembrance service on Thursday 11th November 2021.

Once we had immersed ourselves in a variety of war poetry, it was time for us to get our creative minds at work to produce our own war poems. We explored themes such as: life in the trenches; missing home; fallen soldiers; and life after war. It was very interesting and touching to write sincere and emotive poems based on World War Two.

In preparation for the Remembrance service, our teachers allocated different roles to us so that we could make contributions towards the celebration of Remembrance. Some of us read aloud names of the soldiers who sacrificed their lives who lived in East and West Tilbury, two of us had the responsibility of holding the Standard which demonstrated the affiliation between East Tilbury Primary School and the British Legion, and some of us laid down the wreaths onto the memorial as we came together to remember all those who had made sacrifices for our freedom.

We Will Remember Them.

Year 6

On Thursday 11th November, Y6 went to the Bata War Memorial in the park to take part in the Remembrance Day Service.

The service was led by Rev'd Michele Marshal, Mr Gowland and the Y6 pupils. Members of The Royal British Legion were in attendance with their two standards and we

were also joined for the service by some of the local community.

As a school, East Tilbury Primary are greatly honoured to be affiliated to The Royal British Legion and we have our own school standard. This was carried by two of our Y6 pupils: Adrian and Daivey.

During the service, Y6 pupils read out the names of the men from East and West Tilbury who died in the conflicts of World War I and World War II.

We observed the two minute silence and four of our pupils: Emelia, Albie, Frankie and Riley, laid wreaths on behalf of: the KS1 and EYFS pupils, the KS2 pupils, the Bata Heritage Centre and the Mayor of Thurrock. The service concluded with the singing of the National Anthem and a blessing from Rev'd Michele.

REACH!!

FOR THE STARS

Our 'Stars of the Week' are the children that have gone over and above in their efforts. We are very proud of them for their achievements and thought they deserved an extra-special mention!

What Parents & Carers Need to Know about

NETFLIX

Netflix is a subscription-based streaming service that allows users to watch TV shows and movies on any internet-enabled device that supports the software, such as smart TVs, phones and tablets. The pandemic saw a surge in children consuming on-demand content as many families relaxed their screen-time rules. Netflix's diverse range of programming caters for all age groups – so it's important for parents to recognise the potential risks of children using the service and the measures to help their child enjoy a safe streaming experience.

INAPPROPRIATE CONTENT

Netflix produces and curates an extensive catalogue of content that can provide hours of entertainment. If they share the same user account as an adult, this can potentially lead to children accidentally viewing all manner of inappropriate content, including nudity, profanity and extreme violence. This can happen easily on shared accounts, as Netflix cannot establish who's watching.

BINGE-WATCHING

Netflix allows users to view shows and movies quickly and easily without adverts or interruptions, making excessive screen time a concern. Binge-watching has become more common during the pandemic, due to Netflix's regularly updated content and algorithms which recommend content very similar to what's previously been enjoyed. Marathon viewing sessions can lead to children staying up too late, affecting their mood and concentration the next day.

SCREEN ADDICTION

From TVs and phones to consoles and tablets, Netflix is available on almost any device with an internet connection – making it extremely difficult to manage children's screen time. The service is now adding games to its mobile app, tempting users to spend even more time on the platform. Screen addiction can distract children from important activities like schoolwork and socialising, and can impact their health by reducing their exercise and sleep.

HACKING ATTEMPTS

With millions of users worldwide, Netflix is often targeted by hackers who try to steal usernames and passwords to gain access to people's accounts. If successful, they can then steal payment details or try to sell stolen personal data on the dark web, providing other criminals with a profitable opportunity. Netflix also doesn't provide two-factor authentication, making the hackers' task that little bit easier.

CONTACT FROM STRANGERS

Netflix's Teleparty feature became popular during lockdown periods as it allows users from different households (friends and relatives, for example) to synchronise when they watch content. It requires an access link to be sent to the people you wish to invite: the link, however, can also be distributed to people you don't know. A text chat feature enables interaction with the other users in real-time: this represents a risk to children if a stranger gains access to the Teleparty.

Advice for Parents & Carers

KEEP ACCOUNTS SECURE

Netflix doesn't use two-factor authentication, so a strong password is vital. Your child's Netflix password should be unique (not one they've used elsewhere) and a minimum of eight characters with a mix of letters, numbers and symbols. Emphasise not to share their login details with anyone and remind them to always log out after using the app – so their account remains inaccessible, even if their device is lost or stolen.

SET UP PROFILE PINS

Netflix account holders can lock profiles using a four-digit PIN. Doing this can prevent your child from accessing the wrong account and viewing content that isn't appropriate for their age. Try setting a PIN for each account on your Netflix app – ideally avoiding numbers that would be easily guessed, such as dates of birth. Remember not to share these PINs with anyone, including family.

CHECK MATURITY RATING

Netflix warns about content that includes violence, sex, profanity and nudity. These warnings form part of the show or movie's 'maturity rating'. Users can restrict age ratings to avoid children viewing age-inappropriate content. On their profile, open the Profile and Parental Control settings and choose the maturity level for the shows and movies you want to allow.

SWITCH OFF AUTO-PLAY

When a show or movie concludes, Netflix's algorithms select content with similar themes that it thinks your child will enjoy next. This new content starts automatically after a 15-second countdown. Disabling this auto-play feature reduces the possibility of your child being shown something inappropriate and provides a natural break to help prevent them becoming too immersed in Netflix.

CREATE A KIDS' PROFILE

Setting up a Netflix Kids experience profile means your child can only access content which is suitable for children aged up to 12 years. All other content is automatically blocked. This rating can be further restricted via the child's profile settings. Setting up a Netflix Kids experience profile will help to prevent your child from viewing age-inappropriate content.

CHECK VIEWING HABITS

Netflix has tools which enable parents and carers to monitor what their child has been watching. Selecting 'Viewing Activity' in each profile's account settings displays a list of what content has been viewed (and when). This can reassure parents that their child is watching age-appropriate content and can open avenues for discussing your child's favourite shows and movies, and why they like them.

COMMIT TO BE FIT!

Junior Road Safety Officers (JRSO)

After an assembly run by Lisa Clissold from Active Travel year 5 applied for the roles of Junior Road Safety Officer (JRSO). Unfortunately, we could only select 4 pupils as the applications were numerous and very strong. The pupils chosen were:

Daisy 5CP, Sutthida 5TH, Stanley 5BG , Jaelan 5NB

The JRSO's will work with Mr. Bennett to promote active and safer travel to and from school. Their first project will be "Be Seen" in the second half of the Autumn term. The JRSO's are pictured wearing their new JRSO badges.

Clubs

It is wonderful to see so many children participating in after-school sports clubs. Many clubs will give the children the opportunity to play in local school leagues. We have A and B teams entered in both Football and Netball leagues for the Autumn and Spring terms.

PE Kit

Half term is coming, and many children will have had growth spurts this half term. Can parents/carers please take this opportunity to check that PE kit still fits and replace it if necessary. Children will need to bring their PE kit back in the first day back after half term.

PE days

Monday— 2VC, 2RS, 4MR and 4SA

Tuesday—1FK, 1BA, 4JP, 5NB and 5CP

Wednesday—RT, RG, 1GC, 1CH, 5Bg and 5TH

OPAL Outdoor Play and Learning Launch 2021

Outdoor Play and Learning (OPAL)

We are about to launch an exciting new project to make our playtimes even better in conjunction with OPAL ([outdoor play and learning.org](http://outdoorplayandlearning.org)). OPAL has won the Best Active Schools Programme in Europe Award and has been cited in 2 Parliamentary Reports as outstanding practice. OPAL is working closely with Sport England to promote more active childhoods.

All children have had an assembly with Mrs. Smith and Mr. Bennett to introduce them to the project and to all the exciting things we hope to offer them to play with.

To support us we would kindly accept donations of small world toys; these include dolls, dinosaurs, action figures, cars, Lego or building toys. If you are having a clear out of toy boxes over half term, then please consider us as a place to donate the items listed. Donations can be given to the class teacher who will pass them on.

Thank you for your continued support.
